

Franco Roll Off Services Now Delivers Reliable Roll Off Dumpsters In Downey, CA

June 02, 2021

June 02, 2021 - PRESSADVANTAGE -

According to a recent press release, Franco Roll Off Services now delivers reliable roll-off dumpsters in Downey, CA, and the surrounding areas. The company was excited to share this news with all homeowners, construction workers, businesses, and contractors in the area.

Besides Downey, the company also services Whittier, Compton, Los Angeles, and Long Beach, California. Company founder Ernesto Franco elaborated that their services are not limited to the listed cities, stating that they often provide dumpster rental services to customers located further away on request. Mr. Franco, however, mentioned that customers in such areas usually need to call in to book their dumpster rentals and that deliveries are typically surcharged based on the distance that will need to be covered.

Franco Roll Off Services gives customers a wide range of containers to choose from when selecting rental dumpsters. They offer 4-yard dumpsters, 10-yard dumpsters, 20-yard dumpsters, 40-yard dumpsters, and containers they have named Low-boy dumpsters. The Low-boy dumpster rentals are specialized dumpsters

rented out to remove clean concrete, dirt, or asphalt. The other containers ranging from the 4-yard to the 40-yard dumpster are available for rent for various industrial, commercial, construction, and residential projects. They are great for almost all junk removal projects and waste disposal projects.

The company rents out roll-off containers at different prices depending on the type or size of a container. Their dumpster rental costs in Downey, CA, as listed on their website, are; \$200 for the 4-yard dumpster, \$550 for a 10-yard container, \$550 for the Low-boy dumpster, \$700 and \$800 for the 20-yard dumpster, and the 40-yard dumpster respectively. They offer a 1-6 day rental period and extensions for up to two weeks for most rentals.

Franco Roll Off Services charges an extra \$10 per day for the 4-yard dumpster should a customer wish to extend their rental for longer, and they charge an additional \$40 a day for extending the Low-boy rental and all the other rentals ranging from the 10-yard dumpster to the 40-yard dumpster. The weight limits for the roll-off containers are; 0.25 tons (500lbs), 2 tons, 3 tons, and 6 tons for the 4-yard, 10-yard, 20-yard, and 40-yard roll-off containers, respectively. They charge an extra \$95 per ton for every ton of material loaded in a container above the given weight limit. The Low-boy dumpster has a flat rate of \$550 price for any quantity of material loaded on the container.

Franco Roll Off Services is an established dumpster rental company that has been highly rated and positively reviewed online on various platforms, including Google, Facebook, and Yelp. Most of their reviews mention reliability, friendly service, fast on-time service, and affordable services. Some of the reviewers say that they would recommend the company to people they know, and they would rent roll-off dumpsters from the company again.

Information on their website also suggests that the company also provides same-day dumpster service in Downey and other service areas. They also promise to deliver dumpsters on-time to customers' specified placement areas.
