

Amazing SoFlo Properties Associate Broker and Black Luxury Miami Founder Nathaniel Crawford Announces Buyer Representation At The Estates At Acqualina In Sunny Isles

December 03, 2021

Fort Lauderdale, Florida - December 03, 2021 -
FL based Nathaniel Crawford is offering private and confidential buyer representation services to clients interested in owning a home in The Estates at Acqualina in Miami. Crawford is a popular luxury real estate agent based in South Florida.

Miami?s most exquisite living experience awaits potential buyers at The Estates, which is a dazzling collection of curated homes managed by the Acqualina Resort & Residences. It is ranked by TripAdvisor as the number one luxury beachfront resort in the continental US. The Estates boasts a boutique North Tower rising high above the immaculate sands and glistening ocean of Sunny Isles Beach, featuring a mere two residences per floor, each with a dramatic, 57-foot-wide living space. All the luxury residences are fully furnished by Luxury Living with Fendi Casa and Trussardi furniture. The magnificent ocean view is an added benefit to the elegant residences available at The Estates.

Crawford noted that, ?There are more Rolls Royce owners here at Acqualina than anywhere else in the world?. He continued, ?One of the best senses of arrival when you are bringing someone to somewhere that is supposed to be at a certain level of luxury is to pull up ? and at the valet there are 10 million dollars in cars parked outside." The Estates currently has 3?5-bedroom residences available, and they range from 2,200 sq ft up to 4,600 sq ft in floor space. Prices for the Acqualina condos start at around $6 million, in a building which has forever views of the Atlantic. The Acqualina Estates are Florida's only 5 Star and 5 Diamond hotel and resort on the beach.

The Estates are known for their luxurious furnishings and buildings as well as the beautiful location. Nathanial Crawford highlights his personal values in regard to real estate and also highlights client reactions to The Estates, stating that, "In South Florida specifically, there are tons of properties that look amazing in photos but are not as awe inspiring when you see them. When I bring clients to Acqualina, everytime, I and my clients are awestruck at how much it looks like it's supposed to look.? The accurate representation of the luxury estate has been a pleasant experience to many of his clientele.
