June 03, 2021 - PRESSADVANTAGE -

Gainesville, Fla. ? Express Employment Professionals's very own Chris Vermeulen, Business Development Manager, has achieved fast track success recently on behalf of the local Gainesville staffing company. This is according to Kalli Britton, Corporate Developer for the Florida region branch offices.

The Gainesville Express office provides both employment services and staffing solutions to the job seekers and businesses in Alachua County, FL. Vermeulen has attained fast track success on behalf of the firm by billing 16 clients in week seven of Express's Fast Track Program. According to Britton, "The entire Gainesville team worked extremely hard to achieve this huge accomplishment. I'm pretty sure that will be a state?if not company?record! This is just the first of many wins for Chris and the Gainesville, FL team as they continue on their journey towards the Circle of Excellence and beyond."

The Fast Track success is a big win for Express Gainesville, as it shows their hard work providing the potency as a leading staffing services provider. This accomplishment will only lead to more success, as Express Employment Professionals in Gainesville can be awarded other honors later on this year.

The Gainesville Express office opened it's doors in 2014 and extends its services to communities across Alachua County, which include Gainesville, Alachua, High Springs, Jonesville, Newbury, Archer, Hawthorne, LaCrosse, and Micanopoy.
