Alexander Napolin is offering legal consultation to clients searching online for "Auto Accident Lawyer Near Me Riverside County". He serves all of Southern California including Riverside County, Orange County, San Bernardino County, Los Angeles County, and Inland Empire.

Alexander Napolin Esquire has been working tirelessly for over a decade, providing help to clients who have been in accidents and were injured due to another person or entity?s negligence. He has the experience that allows him to get the fullest and fairest settlement for his clients. He guides his clients through the tough legal process, to ensure they come out strong on the other end of a debilitating once-in-a-lifetime accident.

He talks about the importance of legal representation in matters of accidental injury by saying, ?A lot of people get blindsided by the demands of following up with insurance companies, filing claims, and if the need arises, filing a suit. The accident by itself is a traumatizing event whose pain shouldn?t be compounded by its

aftermath. Insurance companies are deviously efficient at rejecting claims for the most inane reasons. They squeeze out every last penny by withholding the fair claims that victims are entitled to. I guarantee you that an experienced attorney, such as myself, will be able to get you much more than what you would be able to get if you go at it alone and unaided. So if you have been in an accident and are feeling overwhelmed with the dealings with your or the other party?s insurance adjusters, give me a call. After a single consultation, you will find out why I am one of the best, if not the best accident injury lawyer Riverside County has to offer.?

Alexander Napolin is a 100% plaintiff-side personal injury lawyer. This means that he never represents insurance companies. This is an advantage as it gives the client the peace of mind that they have someone on their team that is dedicated to their cause. It creates a level of trust that cannot be experienced with other attorneys who might choose to defend any side of the case, depending on who gives them more money. Alexander Napolin has a strict moral compass that has made him a favorite with his clients.

His competence and integrity reflect in the glowing testimonials he has received from those he has defended in the past. A review of his services highlighted on his website says, ?They were one of the highest-rated firms when I looked up accident lawyers online and they definitely lived up to their reputation. I contacted Mr. Napolin after my car accident and I?m really glad that I did. The firm was super friendly from the get-go and the service was nothing less than exceptional. They kept me updated every step of the way through all the steps of the process. They referred me to a local chiropractor that worked with my schedule. The case closed and I?m very happy with the results.?

Alexander Napolin Esquire earned his law degree in 2011 from Pepperdine University School of Law. In 2008, he graduated from California State University, Fullerton with a double major in Business Administration and American Studies. Prior to forming Napolin APC, Mr. Napolin practiced for two years advocating for injury victims at the largest workers? compensation and personal injury firm in California. Before becoming an attorney, he worked in the financial sector, first at a small insurance and securities brokerage, and then as a securities regulator with the Financial Industry Regulatory Authority (FINRA). Mr. Napolin is admitted to practice law in the State of California and the United States District Court for the Central District of California.
