September 25, 2015 - PRESSADVANTAGE -

Cocoa Beach, Florida. Dr. Keith Vevera ?a practicing dentist with over 20 years of experience - announces that he has launched a full service dental office, site and blog in the Cocoa Beach area. Vevera Family Dental?s services include general as well as cosmetic dentistry all performed in a family oriented atmosphere. The site [www.veveradental.com](http://www.veveradental.com) provides an introduction to Dr. Vevera?s practice and the services he provides. It also presents his background and his personalized approach to treating patients. The blog shares tips and information designed to help patients maintain optimum dental health and well being.

Preventative care, bridge and crown work and even the latest cosmetic dentistry procedures, such as teeth whitening and laser treatment, are all services available at Vevera Family Dental. ?As a dentist, I am grateful for the opportunity to help others in the Cocoa Beach area improve the appearance and comfort of their smiles,? says Dr. Vevera. ?I feel blessed to provide a service that I truly enjoy giving. But the best part of my job is getting to know the wonderful people in our community.?

Vevera Family Dental also provides after hours emergency dental services for the convenience of its patients. ?Dr. Vevera at Vevera Family Dental in Cocoa Beach is amazing! I was in terrible pain on New Year?s Day. Dr. Vevera returned my call right away, spent time discussing the issue, prescribed medication for treatment and followed up the next day. Dr. Vevera is personable and genuinely caring,? says patient Tracey O. Dr. Vevera accepts most insurance plans and major credit cards. Vevera Family Dental also offers a wide range of other affordable payment options such as Care Credit a plan that allows patients to make convenient monthly installments.
