Waelchi Hambrick from Queens, New York City, Bronx, New York: "I was in an accident around 2 years ago, and I was injured badly. I went to a different law office but they didn't actually seem to care too much then someone told me about this personal injury lawyer and said to go here instead. They were so nice, I'm so glad I made the switch. After I switched over my car accident attorney, the entire process moved a lot easier and I was able to get excellent compensation and get it quickly too. Most definitely happy with my experience and will tell anyone to go here."

Ms. Sanchez strongly believes in keeping her clients informed and updated for as long as she represents them so that they can participate in making crucial choices concerning their future. "I make every effort to keep my clients informed as to the law so that they can make better-informed decisions.
