

Sears Disposal Delivers Affordable Reliable Roll Off Dumpsters in Davenport, IA

June 11, 2021

Davenport, Iowa - June 11, 2021 -
Local Davenport dumpster rental company, Sears Disposal, continues to deliver reliable and affordable roll-off containers in Davenport, IA, and surrounding areas. Headquartered here in Davenport, the company has gradually expanded to service other neighboring cities, including: Le Claire, Eldridge, and Bettendorf.

Besides offering affordable roll off dumpster rentals in Davenport, Sears Disposal also offers reliable junk removal services to homeowners, contractors, and businesses who have junk or waste to dispose of. They have full-service junk removal that people and contractors with limited time on their hands can opt for when renting a dumpster is not ideal for a project. Customers needing junk hauling services in Bettendorf can visit the Sears Disposal website or call the company directly for detailed pricing information.

The company offers a range of dumpster rental services for commercial, residential, and construction projects that generate substantial waste or garbage. Some examples include yard-waste removal, trash collection, general garbage disposal, and Foreclosure cleanouts, which are common in the current economic climate,

among other tasks like E-Waste Removal and mattress disposal.

Sears Disposal is pleased to announce that they now offer a wide range of affordable dumpster rentals in Davenport, Iowa. The company has two containers available: 10-yard and 20-yard with weight allowance per container ranging from 1 ton to 2 tons. They have found that the two different sizes are best for hauling four pick-up truckloads or eight pick-up truck loads worth of waste, respectively.

They offer 10-yard dumpsters at $270 and 20-yard dumpster rentals at $390 for a 1-7 day rental period. The overall rental cost for each container is inclusive, but the company also offers flexible rental terms that allow for extensions and excess weight loads. Customers are charged $40 per ton for extra material loaded above the weight limit of a dumpster. The company also allows for extending customers' rental periods at an additional $10 per day for additional days, billed beginning from the 8th day.

With a focus on residential and commercial waste management, Sears Dumpsters is proud to be one of the most trusted names in waste management services throughout Iowa. The company can also offer roll-off containers and junk hauling services for customers outside its service area. Company founder, Tanner Sears, stated, "Sears Disposal is constantly adding more roll-off containers to the company inventory so that everyone can have access to dumpster rental services. Sears Disposal also keeps up with all current environmental regulations by disposing of hazardous materials properly after an inspection from state agencies like DEQ or EPA if necessary."
