June 17, 2021 - PRESSADVANTAGE -

Hudson Valley VW, a VW dealer in Wappinger Falls, NY, is happy to announce that the new 2022 VW Taos SUV is now available for purchase or for lease at their dealership. This car dealer specializes in Volkswagen cars and ensures that buying or leasing a new or used Volkswagen vehicle is as easy and simple as possible. They have an upfront and transparent pricing policy that makes it easy for customers to decide on whether to continue with the lease or purchase. This dealer currently serves the areas of Wappingers Falls, Rhinebeck, Poughkeepsie, Hyde Park, Fishkill, Lagrange, Hopewell Junction, Millbrook, East Fishkill, Beacon, Goshen, Cornwall, Newburgh, Danbury, Middletown, Kingston, and the entire Hudson Valley region.

They have a broad selection of new and used vehicles, including the entire Volkswagen lineup such as the Volkswagen Atlas, Volkswagen Atlas Cross Sport, Volkswagen Jetta, Volkswagen GTI, Volkswagen Tiguan, Volkswagen Passat, and even the Volkswagen Golf.

They also have a huge inventory of performance and luxury cars such as Acura, BMW, Cadillac, Audi, Mercedes-Benz, Mini, Lexus, Toyota, and more. They also have the widest inventory of pre-owned Volkswagen cars in the NY Tristate area. Whether it's a car, truck or SUV they can be sure that they have something to offer.

Meanwhile, Hunter Barton, sales manager at Hudson Valley VW, says, "Think securing a car loan or lease should be difficult? It doesn't. At least not with the help of our expert auto financing team here at Hudson Valley Volkswagen, serving the entire Hudson Valley NY area including Wappingers Falls, Poughkeepsie, Kingston and Newburgh. We are committed to helping you find the right vehicle to fit your budget and lifestyle. Our staff is professional, experienced, and dedicated to providing you with the best car buying experience ever."

It should be noted that Hudson Valley VW has a service center in Wappingers Falls, New York. This service center has the goal of providing professional Volkswagen repair and outstanding customer service. They have factory trained technicians who can diagnose what's wrong with the car and fix it right the first time

using the most high tech factory diagnostics and tools available. To ensure that customers don't waste their time, they will arrange pickup and delivery service at the customer's home or place of business. Their state of the art service center is provided with free wi-fi, refreshments, comfortable seating, and allows customers to watch their favorite shows while waiting. They also offer various special offers including providing a free new state inspection and oil change each month for all Volkswagen customers.

The most interesting VW vehicle at the present time is the new 2022 VW Taos, which is provided with a 4MOTION all-wheel drive, making it easy for the driver keep in control. This all-wheel drive system ensures that power is distributed evenly between the front and rear wheels to optimize traction and stability.

The 2022 VW Taos has a turbocharged engine with 158 horsepower on the FWD providing the required power. This SUV has a 7-speed DSG automatic transmission, which ensures smooth automatic transmission as it makes sure that each gear is ready for fast, smooth and efficient shifting. It has four drive modes, namely: snow mode, off-road mode, off-road custom mode, and on-road mode.

The new 2022 VW Taos is also equipped with a Volkswagen Digital Cockpit with a really innovative and breakthrough display. Instead of the conventional instrument cluster, information is displayed digitally in high resolution. The VW Digital Cockpit Pro can also be personalized, allowing the driver to chose what information will be displayed, from speed and travel time to assistance systems, elevation, and route guidance.

Those who are thinking of buying or leasing a VW Taos or any other VW vehicle, whether new or pre-owned, can visit the Hudson Valley VW website or contact them through the phone or via email. They are open from from 9:00 am to 7:30 pm, from Monday to Thursday; from 9:00 am to 6:00 pm on Fridays; and from 9:00 am to 5:00 pm on Saturdays.
