ManageByStats Is Coming To Prosper

June 15, 2021

June 15, 2021 -
ManageByStats, software for Amazon sellers, has announced it will be at this year?s Prosper Show. ManageByStats is a suite of 25 software tools and services for Amazon sellers, and will be exhibiting at the event, providing live demonstrations and offering various specials. Prosper Show is a live, in-person show for the established Amazon seller, intended to facilitate learning how to make an Amazon business more profitable, as well as providing a venue for meeting leading solution and service providers that are eager to help sellers scale their businesses more efficiently.

?We?ll be at Booth 2126,? says MBS CEO, Philip Jepsen. ?We?re looking forward to getting back to normal with this year?s live event. We?ve been at Prosper since its inception, when it was part of ASD, and it?s always great to get out and meet our customers and would-be customers in person.?

ManageByStats staff will be on hand to demonstrate the various software tools and answer questions. In addition their PPC Logic service will be showcased, with special offers and giveaways at the show. Prosper Show runs from July 13th thru the 15th, and is held at the Westgate Resort in Las Vegas.

?Our booth is right next to the food,? says Mister Jepsen. ?Which was actually the case the last time we were there. Makes us very visible, very easy to find. Stop by, visit, grab some swag and let us answer any

questions you might have. We?ll see you at the show.?

In advance of the show, any questions can be directed to ManageByStats. For more info on the MBS software tools, services, or for any other information, contact ManageByStats directly.
