Dumpster Dads is providing dumpster rental services to residents and businesses in Charleston, South Carolina. Readers can find out more about their services by heading over to https://www.thedumpsterdads.com/dumpster-rental-charleston-sc/.

The company makes available 15 cubic yard dump trailers and 20 cubic yard roll-off trailers for a variety of purposes. Regardless of how big or small the project is, its trailers are the perfect companion to ensure a clean workspace and to not have to worry about garbage disposal. They are the ideal choice for projects such as multi-room cleanouts, fencing, kitchen remodels, attic cleanouts, demolitions, and more.

The small 15 cubic yard dumpster rental is 14 feet long, 7 feet wide, and 4 feet high. It is designed to fit in the driveway and is easy to load. The company charges $375 for 1 week of rental time and 2 tons of weight for non-organic loads. It charges $75 per ton for every tonnage over 2 tons for non-organic loads. It charges $300 for 1 week of rental time and 2 tons of weight for organic loads. It charges $30 per ton for every tonnage

over 2 tons for organic loads. It also charges $10 per day for every extra day of rental over 1 week for both organic and non-organic loads.

The 20 cubic yard dumpster rental is 14 feet long, 8 feet wide, and 5 and a half feet high. It is perfect for jobs where a lot of waste is expected to be generated. The company charges $400 for 30 days of rental time and 2 tons of weight for non-organic loads. It charges $75 per ton for every tonnage over 2 tons for non-organic loads. It charges $300 for 1 week of rental time and 2 tons of weight for organic loads. It charges $30 per ton for every tonnage over 2 tons for organic loads. It also charges $10 per day for every extra day of rental over 1 week for organic loads and every extra day of rental over 30 days for non-organic loads.

The company says that the pricing gets reset every time that a trailer is dumped and returned. The company asks that the customer be careful with the loads as any non-organic fines issued at the dump will be the customer?s responsibility. The company requires the driveway or drop-off spot to be 10 feet wide to access. The company may charge extra fees for locations outside of its service area.

A spokesperson for the company, Michael Spitz, talks about its inception by saying, ?The company was founded by three founding partners, all of whom have separate careers. While renovating and working on investment properties, we noticed that long turnaround times and high costs of dumpsters were slowing us down and the delays were costing us thousands of dollars. We decided to build Dumpster Dads together because of our past experiences to address this pressing need for professional and affordable dumpster services. We decided that there must be a more efficient, reliable way to facilitate the needs of businesses and homeowners in the region. After months of planning and finding the right team, Dumpster Dads was born. Today, we are offering a cost-effective alternative to other companies along with unmatched customer service. If you are looking for a way to clear out the waste for a project, call us and you will find out why we are the best option for Charleston SC dumpster rentals.?
