Resource Dumpster is a locally owned and operated dumpster rental company that provides the best dumpster services in Rockford, IL. As an environmentally friendly business, they also offer recycling and removing hazardous materials from your home or office. They offer dumpsters for construction projects and clean-outs of attics, basements, garages, and other areas that require disposal.

Company founder, Richard McDonald, stated "Resource Dumpster is an entirely local dumpster rental company owned by a local and run by locals with experience and expertise in the dumpster rental industry and who are passionate and genuinely invested in serving their community. Customers who rent dumpsters from Resource Dumpster can always be guaranteed to be speaking to people who will go above and beyond to provide them with friendly, affordable, and reliable dumpster rental services. All employees are trained to make sure you get the right size container at the best possible price. Our reviews on Facebook, Yelp, and Google can attest to the fact that we offer the best dumpster rental services in Rockford, Illinois."

The company provides construction roll-off dumpster rentals, roofing dumpster rentals, commercial dumpster rentals, residential dumpster rentals, and commercial junk and waste removal containers. They are known for providing dumpster trailers in the area that can fit into the tightest of spots. Resource Dumpster has 10 yard dumpsters, 15 yard dumpsters, and 20 yard dumpsters available for rent at different pricing and capacities.

A 10 yard dumpster costs $315 to rent for 1-5 days between drop off and pickups. This is the smallest size dumpster the company has, with a 1-ton weight allowance and a capacity to fit up to 4 pick truckloads worth of junk or trash. They are best for small projects and for maneuvering tight spaces seamlessly. A 15 yard dumpster costs $345 to rent for 1-5 days and can haul up to 5 pickup truck loads worth of trash. 15 yard dumpster rentals have a 1.5 ton weight allowance. A 20 yard dumpster costs $375 for 1-7 days and has a 2-ton weight allowance and a capacity to haul between 7-8 pickup truck loads of junk or waste material.

The company also has a $60 charge per ton of excess material loaded into a dumpster, depending on size and given weight allowance. They also have a $10 extension fee per day that can be added at checkout, should a renter wish to extend their rental period. The fee is charged from the next day after the expiration of a renter's rental term.

Resource Dumpster offers the best dumpster rental services in Rockford, IL, and in the cities of Belvidere, Byron, Aurora, Kirkland, and Elgin. Richard also mentioned that they frequently service areas outside these cities on request and so long as they are not too far out. Outside delivery may be subject to a distance surcharge, but individuals should contact the company representatives on the phone first before booking a dumpster delivery. The company also operates from Monday to Saturday, 7 am to 7 pm but is closed on Sunday.
