June 17, 2021 - PRESSADVANTAGE -

Dan's Hauling is excited to announce that it now offers roll-off junk removal dumpsters in St. Petersburg, Florida, to homeowners, contractors, businesses, and communities needing affordable dumpster rentals in the area. Company spokesperson, Brian Goodfriend stated, "If you are looking for an affordable way to clean up your yard or remove old furniture or appliances from your business property, we offer a variety of different sized roll offs that can be delivered directly to your home or work site on schedule day as early as 8am with just a phone call! We also offer affordable rates without any hidden fees, so you'll know exactly what you're paying ahead of time. "

Based on positive online reviews from people who have previously used the company's service, Dan's Hauling seems to be a reputable business with a track record of providing affordable, reliable, and friendly dumpster rental services. They have been well-rated and recommended on Facebook, Yelp, and Google. The company offers residential dumpster rentals, construction dumpster rentals, roofing roll-off dumpsters, and commercial dumpster rentals. Below is a testimonial from a previous customer.

"I called and got an immediate response. Someone came to my home right away and gave me a reasonable price to load, haul and dispose of a wood pile. I was glad to see that rotten wood hauled away. Both Meaghan and the young man who came out were pleasant and helpful. I recommend Dan's Hauling," said Birdie A. of Clearwater, Florida.

The company provides junk removal dumpsters and waste disposal dumpsters in St. Petersburg, Largo, Clearwater, and Palm Harbor. According to their website, they also serve nearby communities and often deliver dumpster rentals further out. Depending on a customer's location, renters located more than 15 miles outside the company's service area usually need to pay a distance surcharge for delivery. People who live in locations outside Dan's Hauling service area need to contact the dumpster rental service before booking a dumpster and scheduling a delivery.

The company has many dumpster rental options that customers can opt for depending on the size of their projects and their wallets. They have 10-yard dumpster rentals, 12-yard dumpster rentals, and 20-yard dumpster rentals available for rent in St. Petersburg. Their dumpster rental costs are \$350 for 10-yard dumpsters and 15-yard dumpsters and \$450 for 20-yard containers. The 10-yard bin rentals can carry four pickup loads, while the 12-yard dumpsters can carry five pickup loads of material. 20 Yard dumpster rentals carry up to 8 pickup loads of junk depending on the shapes and sizes of the items.

All their dumpster rentals have a 1-7 day rental period, but the company allows customers to extend their rental periods at the cost of \$10 for every additional day beginning from the 8th day. Customers also have to pay \$60 per ton of any extra material they load on the dumpster above the container's 2-ton weight limit.

Dan's Hauling promises customers 24hr/7 emergency support, guaranteed on-time delivery, and excellent customer service. They are usually open every day from Monday to Friday from 8:00 am to 5:00 pm, and Saturday from 8:00 am to 12:00 pm. While people can still book dumpsters and schedule delivery at any time, thanks to the company's simple online booking process, they should note that the company does not do deliveries or pickups on Sundays.
