

Dan's Hauling Now Offers Reliable Roll-Off Dumpsters in Clearwater, FL

June 17, 2021

June 17, 2021 - PRESSADVANTAGE -

Dan's Hauling, a local dumpster rental company known for friendly and on-time services, now offers roll-off dumpster rentals in Clearwater, FL. The company serves homeowners, companies, contractors, institutions that need reliable waste management solutions. Along with announcing their new service to the Clearwater area, customers can also rent out 20 yard or 30-yard containers that can be used for construction debris disposal or general trash collection.

The company is led by Brian Goodfriend who has been running successful businesses in Florida for close to 30 years and acquired Dan's Hauling in 2018. In addition to Clearwater, the company also provides dumpsters for waste disposal to towns such as Largo, Palm Harbor, St. Petersburg, and other nearby areas, providing them with affordable solutions that are sustainable and environmentally friendly. With over ten years of experience under their belt, they have made it their goal to provide an eco-friendly solution for any residential or commercial client looking for a cost-effective waste disposal solution.

Mr. Goodfriend stated, "Everyone at Dan's Hauling was excited about the new development, adding that the company is well equipped and happy to extend its reliable dumpster rental services to Clearwater, FL residents customers in the surrounding communities. Our staff at Dan's Hauling works has grown over the last several years thanks to their work ethic, dedication to providing excellent waste disposal solutions to customers, and experience in the dumpster rental industry."

According to the company's service page on their website, the company also delivers bin rentals to customers located way outside their specified delivery area. While delivery is free in some areas, delivery to locations beyond 15 miles of the company's radius usually attracts a distance surcharge. Therefore, people who want to rent roll-off dumpsters from Dan's Hauling but are outside the listed locations need to contact the company representatives by giving them a call to schedule and confirm delivery details.

The dumpster rental company has 10-yard dumpsters, 12-yard dumpsters, and 20-yard dumpsters available for rent. The containers vary in price depending on their sizes, the rental period a customer chooses, and whether or not the dumpster renter sticks to a container's provided weight allowance. Their dumpster rental costs begin from \$350 for either 10 yard or 12-yard dumpster rentals and \$450 for 20-yard dumpster rentals.

All their rental containers have a 2-ton weight allowance, but they have different capacities or spaces. For example, 10-yard dumpsters can load an equivalent of 10 pickup loads, 12-yard dumpsters can load up to 5 pickup loads of trash, and 20-yard dumpsters can carry an equivalent of 8 pickup truck loads of debris or junk. Dan's Hauling also has a \$10 per day additional charge for extended rental periods and a \$60 charge per ton of extra garbage or waste.

The company usually operates between 8:00 am to 5:00 pm from Monday to Friday, and 8:00 am to 12:00 pm on Saturdays. They typically close business on Sunday. While interested customers can book their dumpster rentals and schedule drop-offs on Sunday, they should note that the company neither delivers dumpster rentals nor picks them up on Sunday. They also guarantee excellent customer services and on-time dumpster rental delivery for all their customers. Customers can either book their dumpsters online or call the company to schedule deliveries.
