June 25, 2021 -
Howell, MI based Camo Cans Dumpster Rental recently launched a new website that customers may use to place their orders for the dumpster rental of their choice. The company is pleased to share that the website now makes their services more accessible to all homes and businesses in the greater Michigan area.

Camo Cans Dumpster Rentals is a local Michigan roll-off dumpster rental business that has years of experience and community service under their belt. This allows them to provide a top-tier service that customers can count on whenever they need assistance with junk disposal. They also do their best to provide their dumpster rentals at prices that are friendly to their customers? budgets. Camo Cans Dumpster Rentals has a large selection of roll-off dumpster rentals that their customers can choose from. This allows them to provide exactly what is needed for every job size and type. They have small bins that allow homeowners to continue their home renovation jobs without going back and forth to the landfill, and they also have large containers that are suited for large construction projects. No matter what their community may need, Camo Cans Dumpster Rentals is confident that they have the right dumpster for the job.

One of the dumpsters that Camo Cans Dumpster Rental is a 13 yard dumpster that is 14' long, 7' wide and 4'

tall. The 13 yard dumpster can be used to handle 1 ton of waste and can be rented for 1 - 5 days for $285. Camo Cans Dumpster Rental offers extension periods for this rental service for $15 a day. Customers may also store more waste for $95 per additional ton of waste. For those who need a larger dumpster, Camo Cans Dumpster Rental offers a 16 yard dumpster rental that is 16' long, 7' wide and 4' tall. This dumpster may be used to store 2 tons of waste and debris and can be rented for 1 - 5 days for $305. The rental time can also be extended for $15 a day, and more waste can be stored for $95 per additional ton.

Thanks to their new website, the company is able to facilitate an easy-to-use online ordering system that allows their customers to book a dumpster with minimal hassle. All any interested party needs to do is go to the Camo Cans Dumpster Rental website, assess their options based on what they need and book the dumpsters they want. Camo Cans Dumpster Rental respects their customers? time and budget as well, which is why they make sure that they deliver all booked roll-off dumpster rentals on time to homes, businesses, construction sites and so on.

They also pay great attention to detail to how they provide their services as they believe that this is what their customers deserve. Their integrity and respect for their customers makes them the ideal waste management partner for any job and situation. Whether their customers need dumpster rentals for home renovations, landscaping jobs or construction projects, Camo Cans Dumpster Rental can be relied on to provide the best roll-off dumpster rentals that will help in finishing the job more quickly and efficiently.

Camo Cans Dumpster Rental?s service area covers several areas within the Michigan area, including Howell, Brighton, Fenton, Milford, Hartland, Fowlerville, Flint, Linden and more. A complete representation of their coverage can be found on their website. Customers who need dumpster rentals beyond this radius do not need to worry either as Camo Cans Dumpster Rental is often willing to deliver to areas beyond their usual routes. However, customers must note that extra fees may apply depending on how far their site is from the initial service area.

As is made evident in the reviews the company receives, customers generally consider it worth reaching out to Cano Cans due to their professional conduct and prompt response times. For instance, Maranda Shunks says in a 5-Star Google review, ?After not getting a response from several other companies, I called Camo-Cans, and within two minutes my call was returned. The gentleman I spoke with was friendly and professional. I told him what I needed, and he personally delivered my dumpster within the hour! What a wonderful company! I will recommend them to all my family and friends in the future.?

Mike Chmielewski also says in their review, ?As a contractor, I have used them on many different jobs, from complete house remodels to deck and driveway tear outs. They?ve always been on time, friendly and delivered the best possible service for the money.?

Those in need of roll-off dumpster rentals are invited to Hayden Sprague of Camo Cans Dumpster Rental may be contacted for further details as well.
