Panama City, FLA. ? Mr. Rooter of Northwest Florida recently helped sponsor the 19th annual Covenant Care Mardi Gras Mask Gala. The event which was held on June 5th from 6:00 pm to 10:00 pm at Edgewater Beach Resort helped fund a variety of programs within the Covenant Care Foundation. According to the Panama City plumbing company, those programs included Children?s Support Services, Indigent Patient Care, Bereavement Services, Chaplain Services, and Volunteer Services. All of these are not reimbursed through Medicaid, Medicare, or insurance.

The Mardi Gras Mask Gala featured live entertainment, a seated dinner, live and silent auctions, and a 50/50 drawing. Those who attended the Gala were asked to don their finest masquerade, along with their brightest festival formal wear in celebration of the Mardi Gras Carnival. Ticket costs ranged from six to 100 dollars, meaning anyone could participate. The turnout for the event was astounding, with many dancing the night away for a good cause.

Convent Care began in 1980 in Pensacola, Florida, by five local hospitals that saw a need for volunteer-based hospice care in the Florida Panhandle. The organization quickly became the only freestanding hospice across northern Florida. Over the last 38 years, the organization has grown to include locations across the state, including memory care facilities, Home Health Care, and more.

Mr. Rooter of Northwest Florida is proud to help support such a dedicated organization. The local plumbing company offers upfront pricing, 24/7 services, and experienced technicians. Mr. Rooter of Northwest Florida services the entire Florida Panhandle with underground pipe repairs, sewer inspections, leak detection, drain cleaning, and so much more.
