Vineland DWI Attorneys Host Informative Legal Webinar

June 30, 2021

June 30, 2021 - PRESSADVANTAGE -

Vineland, NJ ? The Vineland DWI lawyers are looking forward to hosting their upcoming legal webinar on the severity of DWI?s in New Jersey. Those who like to learn more about their local law office, visit: <http://www.nj-dmv-dwi.com/locations/vineland-hamilton/>

?Our team of experienced DWI defense lawyers works exclusively with DWI cases, meaning it is our area of expertise. The courts in New Jersey are particularly tough on those convicted for drunk driving. The penalties are serious and can have a detrimental impact on your life, job, and freedom. We hope this webinar provides individuals with insight on how crucial it is to choose an aggressive, passionate attorney like one of our DWI defense lawyers,? states Evan Levow, the managing partner of Levow DWI Law.

The experienced DWI defense attorneys in Vineland at Levow DWI Law handle DWI cases and related charges. Mr. Levow?s contributions to DWI law are widely recognized. For more than 25 years, he has protected the interests of those convicted of a DWI and was the first president of the DUI Defense Lawyers Association, a professional association of attorneys with over 1,000 members.

Mr. Levow goes on the share, ?If an individual has been arrested for driving under the influence, they can face mandatory license suspension, possible jail time, and thousands of dollars in fines if convicted. Many believe there is nothing that can defend a DWI charge, but that isn?t the case. There are several major factors that are taken into consideration when fighting such charges, and our legal team will stop at nothing to defend our clients.?

The webinar will be held on July 7th, 2021, at 7 PM, through Google Hangout. If New Jersey residents are interested in joining in on this webinar, sign up by emailing info@levowdwilaw.com.

The Vineland law office has successfully defended thousands of DWI charges across New Jersey, and they extend their legal services to the surrounding areas of Vineland including, Egg Harbor Township, Sea Isle City, Ocean City, Bridgeton, Woodbine, Wildwood, Maurice River, Hamilton Township, Millville, Atlantic County, and Cape May.
