July 07, 2021 - PRESSADVANTAGE -

Rent-A-Dump Inc., a company based in West Valley, UT, is pleased to announce that competitively priced dumpster rental is available in Salt Lake City and neighboring areas. This service can be used for various waste removal projects that may arise because of landscaping, garage clean outs, home renovation projects, demolitions, home additions, and construction projects. They have small, medium, and large-size dumpsters that can be used for various kinds of residential and commercial projects. More about this service can be gleaned from a press release accessible at <https://www.pressadvantage.com/story/41918-rent-a-dump-now-provides-affordable-roll-off-dumpsters-in-salt-lake-city-ut>.

Oscar Sencion, owner of Rent-A-Dump Inc., says, "When you trust us for your waste removal needs, you can rest assured you'll receive your dumpster on-time. We provide dumpsters for every need, neighborhood clean-ups, builders and building sites, demolition sites for remodel, restoral or demolition. Use our sizing guide below to find the right dumpster for your project and book it via our online reservation system."

Rent-A-Dump Inc. is committed to offering affordable but effective solutions for all waste disposal needs. They provide an easy to use online booking system that enables customers to rent a dumpster anytime they want, and based on their own schedule. Their mission is to make a junk removal process simple, comprehensive and efficient.

They offer roll off dumpsters in various sizes: 10 cubic yard dumpsters, 15 cubic yard dumpsters, and 20 cubic yard dumpsters. The 10 cubic yard dumpsters, which are better known as 10 yard dumpsters, can contain up to four times the capacity of a pickup truck. The 15 yard dumpsters can hold up to six times pickup truck loads. While the 20 yard dumpster can contain up to eight times that of a pickup truck load.

The roll off dumpsters are intended for use as residential dumpster rentals, commercial dumpster rentals, or construction dumpster rentals. A broad range of wastes can be placed in the dumpsters, except for a number of materials, such as concrete, dirt, rocks, or gravel, including dangerous or toxic materials. Those who are planning to rent a dumpster should visit the company's website to take a look at the comprehensive list of prohibited items to ensure that they will not encounter any issues later on. They can also call the company directly and talk to one of their representatives to make sure that what they are planning to dispose of are not prohibited.

Examples of wastes and junk that they can haul away include: refrigerators, mattresses, garbage, construction wastes, foreclosure clean outs, trash, yard waste, television, appliances, furniture, e-wastes, and hot tubs.

Customers should take note of the areas they currently serve. These include: Salt Lake City, West Jordan, South Jordan, Bountiful, Bluffdale, Herriman, Riverton, Sandy, Holladay, Draper, Park City, Cottonwood Heights, Magna, West Valley, Kearns, Murray, North Salt Lake, Centerville, Taylorsville, Lehi, Saratoga Springs, Farmington, Midvale, American Fork, Alpine, Lindon, Vineyard, Pleasant Grove, Provo, Layton, Orem, Ogden, and all areas in between. And even if the project is beyond that radius, they can still provide special accommodations, although some extra charges may be added based on how far the location is.

Meanwhile, they have been receiving many positive customer reviews. For example, Kim A. recently gave them five stars and said, "Rent-A-Dump was amazing to work with. I will definitely work with them again. My dumpster showed up on time. The dumpster was new and clean and large. I've been told the price is very reasonable compared to other companies. I highly recommend this company."

Their customer service is always ready to respond to any questions from customers before they book a dumpster. Their specialists are on stand by to guide the customer with the rest of the booking process. They ensure customers that they always keep their dumpster rental prices reasonably while ensuring that their

quality standards are high.

Those who would like to know more about dumpster rental in Salt Lake City can visit the Rent-A-Dump Inc. website or contact them through the telephone or via email. They are open from 8:00 am to 5:00 p, from Monday to Saturday.
