July 07, 2021 - PRESSADVANTAGE -

June 2021, Bluffton - Locally-owned and operated Ugly Duct Cleaning shows its support in the fight against the Covid-19 virus by providing safe and effective air duct cleaning.

Ugly Duct Cleaning assures its clients that it uses a bacterial treatment that has been approved by the Environmental Protection Agency to help fight the Coronavirus. This bacterial treatment is also used by the company when cleaning dryer vents.

Dryer Vent Cleaning is one of the expertise of the Bluffton-based company. Ugly Duct Cleaning has skilled professionals in servicing dryer vents and the ideal approaches to disinfect them. To ensure superior cleaning of the dryer vents, professionals of Ugly Duct Cleaning starts with cleaning inside the dryer and behind the dryer lint trap, then the flex line from the dryer to the inside wall. After that, behind the dryer, which can trap clothes and debris known in the industry as dryer fire fuel, is cleaned.

The cleaning process also involves cleaning the four inches? metal dryer vent from the inside wall to the outside wall. The exterior wall vent or roof vent is also cleaned during the process. Ugly duct cleaning can

also install new dryer vent lines, outside wall vents, roof vents, and replace the flex line to make sure the home is up to industry code.

Meanwhile, the family-owned business has been serving Bluffton and Hilton Head for more than a decade already. Since then, they have been providing the best Air Duct Cleaning, Dryer Vent Cleaning, Dryer Vent Rerouting, Dryer Vent Installation, and Dryer Line Replacement in the area they serve.

?Our trained and experienced technicians have the know-how and use the right tools for the job. We are really good at what we do because we love what we do,? according to the Best Dryer Vent Cleaning Service.

Furthermore, Ugly Duct Cleaning offers not just excellent service but great work ethics too. They say, ?We have integrity and will be punctual and efficient. We are working to serve you. We have a team of experienced and trained air duct and vent cleaning technicians who are experienced, trained, skilled and courteous.?

Meanwhile, Ugly Duct Cleaning was started by Jim and Charlene Woodall. They built the business in 2008 armed with a mission to provide their customers with clean, safe, energy-saving dryer vents and exceptional indoor air quality. The right formula of hard work, dedication, and having the right people has helped the couple achieve this goal.
