

Tree Service Experts Lexington Provide Tree Pruning Tips and Benefits Video

July 08, 2021

July 08, 2021 -
Tree Service Experts Lexington, a top tree service company in Lexington, KY has released a video of tips about tree pruning. The company created the video to provide useful information to the tree owner community in Lexington and the surrounding area. Tree Service Experts Lexington is dedicated to supporting tree owners with great tree services and content to help them to maintain healthy trees.

Tree pruning, as the video points out, can prevent tree diseases from spreading throughout the tree and to other trees or plants nearby. When a tree is infected by a disease and struggling to survive, failure to cut away affected branches could result in the death of the entire tree.

The complete video can be viewed here at this link: https://www.youtube.com/watch?v=I4iUZ3C43fQ

Company representative, Burton Lanes, stated, "Our certified arborists are experienced and knowledgeable of all the needs of trees to keep them healthy and growing strong. If your tree has some diseased, damaged,

or troubling branches, their removal will not just make the tree more appealing, it will also make the tree healthier. Armed with the right tools and pruning experience, our Lexington, KY tree pruning team can help save your tree by getting rid of problematic limbs."

Tree Service Experts Lexington is a family-owned tree service company with over 25-years of experience caring for the natural landscape of communities in Lexington, KY. The company's goal is to provide exceptional tree service to all residential and commercial clients looking to maintain or improve the natural surroundings of their homes and businesses.

Tree Service Experts Lexington garantee a certified arborist to manage tree service jobs for customers. The company believes by having certified arborists manage every tree service job, customers will continue to receive the high quality of service the company is known for providing.

The arborists at Tree Service Experts Lexington received their certifications from the International Society of Arboriculture. The International Society of Arboriculture (ISA) serves the tree care industry as a membership association and a credentialing organization that promotes the professional practice of arboriculture. Tree owners can have peace of mind knowing their trees are receiving the best possible care when they work with Tree Service Experts Lexington.

Tree Service Experts Lexington is accepting new customers for tree trimming, tree pruning, tree removal, stump grinding, and arborist services. Those interested in scheduling a consultation or a free estimate can visit the company's website and complete the online contact request form. Requests can also be made by calling the company's customer service at 859-517-4272.
