Statia Thomas, a previous client, left this review on Ambassador Limousine Service?s Google Business listing page. ?FIVE STARS FOR GLENN WILLIAMS. I was a wedding guest this past weekend and told the bride I would assist with travel logistics getting guests from the hotel to the venue. When the shuttle arrived, I introduced myself to the driver and went over the shuttle departure times with him. That driver was Glenn Williams. I had the best experience working with him. He is pleasant, professional, understanding, and was always in the right spot at the right time. If you book with Ambassador Limousine Service, ask for Glenn! He went above and beyond taking multiple trips to bring guests back to the hotel after the wedding. He also communicated with me throughout the night. I felt at ease working with Glenn.? Statia rated the company with five stars, which is the highest rating a company can receive on their Google Business listing.

B. Adkisson, another previous client, left this review. ?Searching for a service I felt comfortable with in the Atlanta area was tougher than I thought it would be. Ambassador was wonderful - very professional from the person that answered the phone through the drop off service. We were picked up on time, and arrival to airport was timely. The return trip from the airport to our home was superb. Stephen was waiting on us to arrive, and was great. We will definitely use them again, and highly recommend them. Their pricing is great. Vehicle was in great shape.? B. Adkisson also rated Ambassador Limousine Service with five stars.
