Legacy Healing Center Caters to CryptoCurrency Holders By Accepting Bitcoin and ETH for Alcohol & Drug Rehab Treatment

July 15, 2021

Margate, Florida - July 15, 2021 -
Margate, FL - Legacy Healing Center is on the leading edge of addiction treatment, helping people from all walks of life effectively manage substance abuse and mental health disorders through their comprehensive, accredited behavioral healthcare services. They offer evidence-based therapies combined with innovative holistic treatments to enable lasting positive change to occur for those who are struggling with substance use disorder.

The alcohol and drug rehab center strives to make addiction treatment available to as many people as possible, providing ample options for payments and various budgets. As Legacy Healing Center explores more ways to improve payment options for their services, they are pleased to announce that Bitcoin and Ethereum will now be valid forms of payment at their addiction treatment center. Treatment accessibility, according to the National Institute on Drug Abuse (NIDA) is an important part of effective addiction treatment.

Bitcoin and Ethereum are the most well-known cryptocurrencies that have established themselves over the last decade. Work is continuously being done to improve payment speed and the accessibility of these

payment options and this movement has led to cryptocurrencies being more widely accepted. Many major companies accept cryptocurrency as a payment method because of how easy and safe these transactions have become.

Legacy Healing Center joins many major companies as they embrace Bitcoin and Ethereum as payment options. Among the businesses that now accept cryptocurrencies such as Bitcoin as payment include Paypal, Microsoft, Whole Foods, Starbucks, and Home Depot. The list of companies accepting cryptocurrency is increasing by the day.

Accepting Bitcoin and Ethereum as payment is helping Legacy Healing Center open the door to quality treatment to an increasing number of people. Cryptocurrencies are one of the multiple payment options that Legacy Healing Center offers including insurance, wire transfers, and credit card payments.

Before starting a personalized treatment plan at Legacy Healing Center, a caseworker will discuss costs and all of the available payment options so that each client can choose the payment option that best suits them.

As a leading addiction treatment center with multiple locations in Florida and New Jersey, Legacy Healing Center focuses on the individual when creating a tailor-made treatment plan. They provide specialized trauma therapy and dual diagnosis treatment designed to address the root causes of substance abuse and addiction. Their range of therapeutic modalities includes hypnotherapy, rapid resolution therapy, neurofeedback, cognitive behavioral therapy, and traumatic incident reduction therapy among others.

Accepting Bitcoin and Ethereum as valid forms of payment for addiction treatment will help people who are seeking the best possible care for substance use disorder be able to choose how they want to pay for their care. Payment can be completed in an instant as soon as the personalized treatment plan has been established and the details of the plan thoroughly discussed and agreed upon by the client and the clinical team.

Legacy Healing Center, in their efforts to make addiction treatment more accessible, hope that by accepting major cryptocurrencies such as Bitcoin or Ethereum, the choice to get professional help for substance use disorder becomes clearer and easier than ever before.

For anyone struggling with addiction or concerned about a loved one, Legacy Healing Center is available to answer questions and provide guidance any time day or night. Call (888) 534-2295 or go to www.legacyhealing.com to learn more.
