New Braunfels Roofing Contractor Receives Five Star Review

July 20, 2021

New Braunfels, Texas - July 20, 2021 -
New Braunfels Roofing - Cool Roofs Inc., a Texas-based roofing company, is pleased to acknowledge another 5 Star review from a pleased customer named Bonnie. The customer shares, "I am so happy with my new roof. I let the guys choose color and spec. They did a super job. They were professional, respectful of my time and very informative. I trusted them completely with my property. They treated me like family. I felt safe and secure. These guys came out, evaluated my roof and damage. Helped me with my insurance, Went above and beyond. Had the job done efficiently. My property was left cleaner than when they started. Great job. Would recommend to anyone."

The company is widely considered one of the top roofing contractors in the New Braunfels area. They handle a wide range of commercial roofing projects, from new builds, roof repairs and replacements to emergency roof restorations and more. The company serves customers from all over Guadalupe County and Central Texas and proudly supports the veterans and military. For years, Cool Roofs Inc. has provided excellent service to homes and businesses in and around New Braunfels. Their mission is to provide high-quality, energy efficient roofing systems at as low a cost as possible.

Their commercial roofing prowess has earned them a distinct reputation among New Braunfels customers. With over 300 successful projects, the company has proven itself to be one of the best roofing contractors in the area ? as can be seen from the numerous 5 Star reviews their team has received over the years. They offer a number of roofing products, including Thermoplastic Polyolefin, spray foam roofing, coatings and metal roofing. From installation to repair and replacement, customers can always rely on Cool Roofs Inc. to get the job done.

The company also offers a range of services aimed at residential customers. Whether they are in need of a new roof on their existing home or looking to re-roof, New Braunfels Roofing - Cool Roofs Inc. has the tools and products needed to ensure that the roofing job meets the very highest standards. As with their commercial roofing services, Cool Roofs Inc. gives residential customers the benefit of having their projects completed by trained experts.

?At Cool Roofs Inc., our mission is to work with dedication and integrity, to strive for a position of leadership in the roofing industry,? the company says. ?With a foundation of respect and trust, our goal is to build lasting relationships by striving for complete satisfaction for all the commercial projects we undertake. We utilize the latest technologies and newest products. We find the most practical solutions to business and job-related problems. We focus on safety and educational issues, contributing to the advancement of the roofing industry and the betterment of society.?

As the leading New Braunfels roofing company, Cool Roofs Inc. has received countless great reviews from happy customers. Bonnie was not the only one to leave a glowing review of their work. For instance, Kyle Cox says that the, ?Crew came out and did an inspection, then promptly submitted a quote with recommendations. Very happy with the work. We did have one continuing issue, and they came out immediately and fixed it. Highly recommend these guys, it?s hard to find good honest roofing contractors.?

Similarly, a customer named Alain Rutherford took the time to share that they believe, ?Cool Roofs is a professional and honest roofing company. They did exactly what they said they?d do, they were clear and transparent and didn?t come up with a bunch of additional charges at the end that weren?t mentioned before. The owner is nice and easy to talk to. Price was way better than any quote I got in New Braunfels. Happy we went with Cool Roofs because of the honest, good vibes and fair price. Will definitely recommend them to everyone I know needing a roof.?
