What a beautiful, elegant home. This is a perfect family home with plenty of space for entertaining and relaxing. Life will be filled with joy living in this charming two-story transitional 3,360 sq. ft. home built in 2012 that includes two master bedroom suites and an inviting front porch. With such ample space, it's no wonder buyers will be amazed by the features within this stunning first-floor master suite including a renovated bathroom that has new fixtures and hardware with Crystal Chandelier leading to a huge walk-in closet with a chandelier not to mention double French doors to the wrap-around deck. Homebuyers will also find a renovated laundry room with a new washer/dryer countertop, utility sink, and storage as well as hall closets

and a walk-in pantry.

On the second floor, there's another renovated suite with new fixtures in the bathroom and double French doors that lead to an enormous wrap-around deck overlooking all of this home's lovely landscaping including perennials beds. Those interested home buyers will also find hall closets and a large walk-in shower.

This is a great family home with plenty of room for kids to run around. The large cedar closet in one bedroom will be perfect for their toys, and the three bedrooms upstairs offer plenty of space for them to grow up. There's even an eat-in kitchen with new appliances and granite countertops, so the cook in the family can whip up meals right at home.

The powder room off the foyer has been beautifully renovated, with a new toilet, sink cabinet hardware, and chandelier. There's also a trash compactor for less work on those busy weekends when cooking favorite dishes.

This house is a great size and has tons of storage space. The windows are beautiful, and the double-sided gas fireplace in the living room makes it cozy year-round. This home is move-in ready, so all the owner needs to do is call their family over for dinner.

This impeccably detailed, beautifully updated home offers the perfect blend of classic and modern. The welcoming front porch is flanked by lush landscaping and features a beautiful bubbling fountain. Inside, the open floor plan with vaulted ceilings creates an inviting atmosphere for both guests and family alike. This well-designed layout flows effortlessly from kitchen to dining room to living room - all while showcasing the natural sunlight that pours into every corner. Thoughtful details like recessed lighting make this home's interior feel as good as it looks.

This beautiful home is move-in ready and has minimal needs. This 1650 sqft, 4 bedrooms, 2 bathroom brick ranch features a newer Lennox HVAC system downstairs (installed 2019) as well as a new HVAC unit installed in the upper level of the house in 2012. The backyard features a brick side patio for receptacle placement and a new kitchen nook. With new LED lighting throughout the living room and family room as well as the kitchen, this house is perfect for entertaining friends or hosting family gatherings. The owner is asking $599,950 and can be seen at this link.
