

Crane Network LLC Updates Cranes for Rent Listing

July 26, 2021

July 26, 2021 -
Crane Network LLC, an online marketplace for cranes and other related equipment based in Lemont, IL, is happy to announce that they have updated their offerings of cranes for rent. They offer a wide variety of cranes for rent to construction firms and other related industries. For instance, there is the 2018 Manitex 30102C Boom Truck. It has a capacity of 30.0 and a boom length of 102 feet. It is in very good condition and its maximum boom tip height is 112.6 feet, while its maximum tip height with extension is 159 feet. It has an externally wired anti-two block system and Manitex UPTime comprehensive support.

A crane that is available for rent or sale is the 2016 Terex T 780 Truck Mounted Telescopic Boom Crane. This particular truck cane has been proven to offer both ease of use and quality performance. It has been designed to be easily set up on the job site and travel down the highway at the maximum allowable speeds. It has a 73 ton maximum capacity, a 126 feet maximum boom length, a 189 feet maximum tip height, a 450 hp engine power, air-ride suspension, and travel speeds of up to 65 mph.

Also available for rent only is the 2019 Versalift Vantel-29-NE Aerial Man Lift. It has a working height of 34.75 feet; a height to bottom of platform of 29.75 feet; a horizontal reach of 22.58 feet; a stowed travel height of 9.75 feet; a platform capacity of 350 lbs; but with no material handling features.

Next is the 2018 Manitex TC50155HL Boom Truck Crane, which is available for rent only. It has a 50-ton capacity; self-lubricating boom slider pads; two speed planetary grooved drum hoist; auxiliary hoist option; hoist drum rotation indicator; third wrap limiter under the hoist drum rotation indicator; deluxe cab with heater and air conditioning; PLC crane controller, J1939 truck engine communication, CANBUS communication, etc.; continuous rotation; 360 degree work area; ROCSolid Outriggers featuring audible outrigger motion alarm and radio remote outrigger controls; and more.

Also available for rent only is the 2020 National NBT45-142 Boom Truck Crane. It has dual-rating versatility; ROI and utilization benefits as a 45 US tons crane and 1200 lbs platform capacity aerial lift; full compliance with both aerial life and crane industry standards, including OSHA; more efficient operation and setup; graphical RCl for easier setup in either aerial lift or crane modes; proportional joystick control in operator cab; and more.

Also available for sale on the Crane Network LLC website are service truck cranes. One example is the 2021 IMT 7500-22 Service Truck Crane. It features an IMT 7500 telescopic crane. Its standard features include: 22 feet of boom reach; Penta Boom? design; flip sheave boom tip; fully proportional ?pistol grip? radio remote control; patent-pending hook stow; and 60 feet/minute planetary winch. It has a Dominator® I Mechanics truck body that can be used in a wide range of applications by railroads, municipal fleets, implement dealers, rental companies, and construction machinery dealers, general contractors.

Also available for sale is the 2015 Palfinger PSC 6025 Electric Service Truck Crane. This service truck crane either meets or exceeds all OSHA and ASME standards. It is equipped with a PSC 6025 electric/hydraulic or full hydraulic service crane with a capacity of 6,000 lbs. It features a single weld hexagonal boom design, wireless proportional control, and exclusively e-coated for the best the rust protection in the industry.

Another service truck available for sale is the 2020 IMT 3203i Service Truck Crane. Its IMT 3203i telescopic crane has a rating of 12,000 ft-lbs and a vertical lift of 16 feet and 1 inch. Its standard features include: planetary winches; electrical operating systems; non-proportional tethered remote control; anti-two-block protection; overload shutdown protection; and boom angle of -5 degrees to 75 degrees.

Those who would like to know more about service truck cranes for sale or any other type of crane for sale or for rent, can visit the Crane Network LLC website or contact them through the telephone or via email.
