Savvy Charlottesville realtor, Toby Beavers, pointed out that three new luxurious Charlottesville homes hit the downtown market yesterday and Charlottesville new home buyers are lining up to see them. Local builders have pinpointed specific areas of Downtown Charlottesville and continue their buying spree. "It's crazy out there. Nothing buildable lasts long in our CAAR MLS if it's in a great location," adds Toby Beavers, a savvy Charlottesville realtor since 2003. Beavers is always keeping customers up to date with the latest and most impressive real estate listings found on and off the local CAAR MLS. These three new Charlottesville luxury homes are all priced over \$700,000 and have hit the MLS.

These amazing Charlottesville homes for sale were built from the ground up to provide buyers with state-of-the-art, extraordinary designs, amazing amenities, and attention to detail. These new Charlottesville homes offer generous square footage and stand out due to their exceptional interior design and outstanding attention to detail.

Located close to the Historic Downtown Mall in the city of Charlottesville and is designed for a high degree of privacy. "These are some of the finest, most luxurious, and interesting Charlottesville homes for sale today," says Toby Beavers, a long-time Charlottesville real estate agent. "Each has been designed by a new up-and-coming architect., and it is a great idea to give them a look. Discerning buyers will be impressed with their amazing quality, value, and attention to detail," adds Beavers.

When a new Charlottesville home hits the MLS, the first thing a buyer looks for is... who is the builder. "As a 25-year Charlottesville realtor, knowing who the builder is is very important. A publicly traded developer will not put in the same amount of love as a local builder," adds Beavers.

On top of that, all three are great for large families, since they have at least 4 bedrooms and 4.5 bathrooms. This makes them ideal for seniors, an Airbnb investment, or local investors. For buyers looking to move to Charlottesville in the Fall and are looking to move to a luxury home in Charlottesville, these three are some of the best options today.

Since 2003, Toby has offered his customers and clients direct access to these incredible Charlottesville properties. Buyers can access a multitude of Charlottesville properties including Charlottesville condos, luxury townhouses, luxury homes, and many others.
