MoldStar Remediation, a 5 Star Rated Mold Removal and Remediation Company, Now Services Marietta, GA

July 22, 2021

July 22, 2021 -
MoldStar Remediation, owned and operated by Jeremy Shelton, has recently announced that they will expand their service area into Marietta, GA. Since 2009, Mr. Shelton has provided Atlanta and the surrounding metro areas with mold inspection and air quality testing services. Jeremy brings more than a decade of mold experience to Marietta-based homeowners dealing with toxic mold.

As an expert in mold removal and cleanup, MoldStar and Mr. Shelton stand out from other companies in several ways. In addition to his extensive experience, Shelton also holds certifications in Water Damage Restoration and Applied Microbial Remediation through IICRC, the indoor air-quality industry?s most respected accreditation body. Mr. Shelton brings knowledge and experience that only a few mold experts in Georgia can match.

These certifications and decades of practical experience are particularly important as the state of Georgia requires no formal training or licensing for mold remediators. Shelton?s expertise and certifications help him and the MoldStar team attack mold problems in several ways, helping Marietta homeowners save time and money. Homeowners interested in hiring MoldStar should first receive a remediation protocol from a certified microbial consultant. Once the remediation protocol has been received, MoldStar can help homeowners build the most cost-effective yet comprehensive solution for addressing their mold problem. Because MoldStar uses the most current techniques, chemicals, and practices, MoldStar customers typically save between 25-50% while receiving a better, more comprehensive service.

With more than a decade of experience and MoldStar?s commitment to continued education and customer service has led them to quickly becoming one of the highest-rated mold removal companies in Atlanta. If you are experiencing health issues from toxic mold exposure or suffering from a mold infestation, reach out to

Jeremy Shelton and the MoldStar Remediation team. Unlike many other contractors, MoldStar Remediation prides themselves on their customer service and fast response. Simply put, you can count on MoldStar to answer the phone. Servicing all of Atlanta and the surrounding cities such as Sandy Springs, Marietta, Kennesaw, Alpharetta, Roswell, Johns Creek, and more.
