July 28, 2021 -

North Edmonton Kia, the Kia auto dealership in Edmonton, Alberta, Canada, has revealed that the brand new 2021 Kia Sorento mid-sized SUV is currently available, with many great features. This is an SUV with three rows of seats and provides a combination of style, state-of-the-art driver assistance technology, and convenience. A recent press release about the Kia Sorento at North Edmonton Kia can be found at https://www.pressadvantage.com/story/43104-new-2021-and-used-kia-sorento-for-sale-in-edmonton-through-north-edmonton-kia.

Some of the salient features of the 2021 Kia Sorento are: rear cross-traffic collision avoidance assist; safe exit assist; blind spot collision warning and avoidance assist; black exterior accents; 18-inch alloy wheels with gloss black pockets; smart key with push button start and remote start; optional S AWD package including increased ride height; 18-in gloss black wheels; syntex seat trim and heated front seats; x-line front and rear bumpers with dark accents; drive mode select with snow mode; and more.

The 2021 Kia Sorento is the recipient of the 2021 Best 3-Row SUV for the Money award. It has been provided with a 2.5-liter inline-4 engine with 191 horsepower and 182 lbs-ft of torque, which is better than the

2020 Kia Sorento 2.4-liter engine with 185 horsepower and 178 lbs-ft of torque. It has also been provided with an 8-speed automatic transmission and it has a fuel economy of 25 mpg for highway driving and 23 mpg for city driving.

In comparison with it's cousin, the Kia Sportage, the Kia Sorento is bigger, with its proportion a bit more drawn out. In terms of seating capacity, the Sorento wins over the Sportage because of its three-row seating for seven people while the Sportage has two-row seating which can accommodate five people. More data about the Kia Sorento can be found at https://mgyb.co/s/ICfPd.

Meanwhile, the safety and security features for the 2021 Kia Sorento include: perimeter/ approach lights; traction control; overhead airbag; occupant sensing airbag; panic alarm; ignition disable; forward collision avoidance assist; knee airbag; dual front site impact airbags; dual front impact airbags; electronic stability; ABS brakes; 4 wheel disc brakes; and adjustable head restraints for driver and passengers.

Entertainment features include: steering wheel mounted audio controls; six speakers; Bluetooth wireless phone connectivity; radio data system; 8.0? primary LCD; AM/FM radio; smart device integration through Android Auto and Apple CarPlay; and two first row LCD monitors.

It is also possible to buy used Kia Sorento vehicles at North Edmonton Kia. These used Kia Sorento vehicles provide an affordable SUV alternative for those who don?t have a budget large enough for the brand new options.

Meanwhile, it is important to note that the vehicles purchased at North Edmonton Kia come with a warranty and are guaranteed not to have any of the common defects. And in case there is any problem, the customer can have any defective parts replaced or repaired with some limits and conditions.
