July 26, 2021 - PRESSADVANTAGE -

Mr. Plant, an interior plantscaping design and maintenance company based in Irvine, California, has announced a new partnership with the California-based digital marketing and search engine optimization agency, Bliss Drive. With this new partnership, Mr. Plant is hoping to utilize Bliss Drive's digital marketing expertise to help them increase their online visibility as they seek to expand their reach throughout the Greater Los Angeles Area.

Mr. Plant specializes in interior plant design, plant maintenance services and plant installation. With over 38 years of experience in the field, the team at Mr. Plant has serviced over 1,200 customers in the Greater Los Angeles Area. Their long term success stems from their passionate approach to brightening up offices with natural plant life and greenery.

According to Mr. Plant's Interior Plant Design Page, "Interior plant design is a method of designing and curating the interiors of the areas in which we live and work so that they are both visually and physically comfortable and attractive." Their website goes on to say that "having plants in the office decreases stress, boosts productivity and makes the environment more pleasant in general. As a professional interior plant

service, Mr. Plant is dedicated to providing beautiful plant services and solutions that are also practical.?

Mr. Plant also provides plant maintenance services. This can come in handy as a way to maintain the longevity of plants, as the Mr. Plant technicians can provide ?tried-and-true practices and strategies to help plants grow in difficult situations with present factors like low humidity, temperature, light, and space, among other things.?

Mr. Plant serves the majority of the Greater Los Angeles area, including Los Angeles County, Ventura County and Orange County.
