

Vein Health Clinics Hires Catherine Kelly as Head of Business Development

July 26, 2021

July 26, 2021 - PRESSADVANTAGE -

Oviedo, FL - Vein Health Clinics hired Catherine Kelly as Head of Business Development. Catherine will be heading up the marketing team for Vein Health Clinics and serving as the Marketing Manager of our Oviedo office. Connecting with our community around us is a primary goal.

Catherine brings with her 15 years experience in the Marketing world, working with Educators, Non-profits, Small Businesses, etc. Most recently she was working with Stetson University's Continuing Education Department helping to build their Advisory Board in the department.

Catherine anticipates bringing a new focus to Vein Health Clinics, concentrating on Community events and local Physician referrals, Catherine Hopes to rebuild the Vein Health Clinic name inside and around the Oviedo area.

Vein Health Clinics specialize in the prevention, diagnosis and treatment of venous disease for the Central Florida Area. We are experts in the education, diagnosis and therapy of vein and vascular disease. For more information, contact Dr Nwobi's Office at (407) 278-6925.
