

MoldStar Remediation, Georgia?s Premier Mold Cleanup and Removal Company, Adds Sandy Springs, GA to their Service Area

July 28, 2021

July 28, 2021 -
MoldStar Remediation, founded by Jeremy Shelton, has recently revealed that they will expand their service area into Sandy Springs, GA. Since 2009, Mr. Shelton has provided Atlanta and the bordering city areas with mold inspection and air quality testing services. Jeremy brings more than a decade of mold experience to Sandy Springs-based property owners dealing with harmful mold and mildew.

As a specialist in mold removal and clean-up, MoldStar and also Mr. Shelton stand out from various other businesses in several means. In addition to his considerable experience, Shelton also holds certifications in Water Damage Repair and Applied Microbial Removal with IICRC, the indoor air-quality market's most appreciated accreditation body. Mr. Shelton brings expertise and experience that just a few mold experts in Georgia can match.

These accreditations and decades of experience are especially crucial as the state of Georgia requires no

formal training or licensing for mold remediators. Shelton's proficiency and certifications help him and the MoldStar team attack mold issues in numerous means, assisting Sandy Springs house owners to save money and time. House owners thinking about employing MoldStar must first get a remediation protocol from a qualified microbial professional. MoldStar can assist homeowners in assembling the most affordable yet comprehensive remedy for addressing their mold trouble when the removal protocol has been obtained. Since MoldStar utilizes the most current techniques, chemicals, and methods, MoldStar clients commonly save between 25-50% while getting a better, more detailed solution.

With more than ten years of experience and MoldStar's commitment to continuing education and customer care, it has led them to become one of Atlanta's highest-rated mold elimination companies quickly. If one is experiencing health and wellness problems from toxic mold exposure or struggling with a mold infestation, reach out to Jeremy Shelton as well as the MoldStar Remediation team. Unlike several various other professionals, MoldStar Removal prides themselves on their customer service as well as fast reaction. Put simply; you can depend on MoldStar to respond to your cry for help quickly. MoldStar services all of Atlanta and the bordering cities such as Sandy Springs, Marietta, Kennesaw, Alpharetta, Roswell, Johns Creek, and more.
