Detroit, Michigan ? To further improve its customers' satisfaction, Detroit Party Bus Company has introduced a service that allows its customers to choose the amenities they would want in their party bus. The company reports that this move will help ensure that the customers have everything they need on the road.

'Different customers have varying luxury needs,' said the company's CEO, 'While all our buses are designed to offer maximum comfort, some customers may want something extra. A group embarking on a long road trip may want bathrooms in the party bus. A group heading to a bachelorette party may need dance poles and an advanced stereo system inside the party bus. A team of corporate professionals may want their party bus to reflect that their trip is official. Customizations will make all of this possible.'

Detroit Party Bus Company boasts one of the largest party bus fleets in the city of Detroit. The company caters to the needs of small and large groups ? its party buses can accommodate 12 to 50 people. Detroit Party Bus Company is home to experienced and professional personal chauffeurs who are always ready to get customers to and from any corner of Detroit. 'Our customization's package can include every type of luxury in your party bus,' said the company's CEO, 'If you are heading on a business meeting and you would like your laptop to stay charged and connected to the internet, we will include power outlets and Free WiFi in the party bus. If you are heading to a party and would like to dance and enjoy good drinks, your party bus can arrive with the best tunes and drinks inside. When it comes to customizations, the customer is the boss ? you tell us what you want in your party bus.'

Detroit Party Bus Company advises customers who need customizations to book their party bus early enough. 'Some customizations may take time,' said the company's CEO, 'To help you and your team avoid waiting, let us know the customizations you need early enough. This will allow us to customize your

party bus and arrive at the pickup location on time.?
