SEO Consultant Joins Shopify Partner Program To Deliver Full Service Shopify SEO Services

July 29, 2021

July 29, 2021 -
Blake Smith is an SEO consultant and digital marketer helps e-commerce businesses build a strong web presence and rank high in search results by providing Shopify SEO expertise.

Sydney, Australia: Blake Smith has joined the global online platform Shopify, as part of the Shopify Partner Program, expanding his SEO consultantcy's established advertising partnerships with Facebook, Instagram, YouTube, Twitter, LinkedIn, Quora and Google.

By joining the Shopify Partner Program, the digital marketer has access to Shopify?s developer API, and to partner programs that include training, documentation, Shopify's product roadmap, previews of upcoming features, and priority partner support.

?Shopify is an already huge platform, growing at a tremendous rate,? said Blake Smith, SEO consultant at blakesmithy.com. ?E-commerce marketing demand has skyrocketed in 2021. I'm receiving so many inquiries from Shopify store owners, so I'm excited to now saw we're a partner.

?It is a great addition to our expanding list of platforms that we support. And it shows our prospective clients our commitment to the platform as we engage on the Shopify Experts Marketplace and Shopify Community."

The Shopify Experts Marketplace is an online platform that enables Shopify store owners to hire Shopify experts to help them build their business. The experts listed are trusted, third-party agencies and freelancers who offer marketing, sales and technical advice to Shopify merchants.

?Online businesses want to invest their marketing dollars where it will generate the greatest return on investment. We give them the insights and analysis needed to grow organic search and deliver great ROI. Being a Shopify Partner extends how we help businesses make informed decisions about growing their

business online.?

Blake Smith is an Australian SEO consultant who works with small, medium and large businesses on improving their search marketing results.
