Okeechobee, Florida - August 02, 2021 -
Ultimate Flags Inc, a company based in Okeechobee, Florida, is happy to announce that they have been providing help to a number of veterans and Armed Forces groups recently. For instance, they have donated some of their best flags to the Sacred Mountain Retreat Center, a non-profit organization that is focused on helping veterans and emergency workers. They have also provided help to the US Marine Corps by donating USA flags and shipping to an unknown location abroad to help keep a special task force safe. The news about helping veterans can be gleaned from previous press releases.

Jonica Hough, owner of Ultimate Flags Inc, says, ?Our men and women in the Armed Forces have our full support. We care about their well being and we want them to know that. We will continue to support them in any way that we can.?

Jonica Hough had responded to an email from a Marine that she received several months ago. He was requesting for American flags to be donated and shipped to an unspecified location overseas to help in

keeping a special task force safe. She replied immediately that she will be honored to be helping the Marines and asked for their shipping details so that she can send them a care package, along with 100 American flags. A month later, she received an email thanking her for the flags and the care package. They informed her that the flags she donated were used by the troops in Syria and Iraq. All of the flags were placed on vehicles and headquarters buildings throughout Iraq and Syria, keeping the soldiers safe.

Jonica Hough was very pleased with the special recognition from USMC. She promised to continue supporting the Armed Forces and Veteran support groups. She stated that it makes her feel proud to have helped those who are serving the country and are making so many sacrifices to ensure that Americans enjoy their freedom.
