We hired for a ride around for my granddaughter?s birthday - they loved the huge town car limo, the music and esp. the light show :) Melanie our driver was perfect - very professional, accommodating and friendly. Will definitely use this service again and recommend it to friends.?

Speaking after learning about the client?s comment, A Step Above Limousine Service CEO had the following to say, ?Our birthday is the only special day we get once per year. For this reason, we must make this day more than satisfying for our customers. When we learned that a granddaughter intended to celebrate her day of birth on one of our limousines, we had to make everything in the car extra special. We remodeled the vehicle to include entertainment amenities such as mood lighting and a music system that played the best tunes. We are extremely impressed to learn that Gina Flowers intends to not only use our travel services again in the future but also recommend these services to her friends.?
