

Reliable Plumbers Calgary Hires New Employees For Water Heater Repair

August 12, 2021

August 12, 2021 - PRESSADVANTAGE -

Calgary, Alberta based Reliable Plumbers Calgary recently hired new employees as part of their push to improve their services, particularly in water heater repair. Reliable Plumbers has made itself one of the top plumbing companies in Alberta over the years, in part as a result of initiatives of this nature. More information about the company can be found at the following link: <https://plumbercalgaryab.com/>.

Mike Reliable of Reliable Plumbers Calgary says, "We have always been dedicated to delivering the best plumbing and HVAC services for the residents of Calgary and the surrounding communities. As our reach expands, we are doing our part to extend our capabilities as well. We have recently hired new employees for plumbing, heating and water heater services, and we have partnered with other plumbing contractors in Calgary to provide better services and affordable quotes. On top of that, we have also expanded our fleets by adding new trucks. All of this is done to ensure that we are able to cater to our customers with the same high standard we have maintained since we opened our doors."

With over 1,500 toilets installed and 700 leakages fixed, Reliable Plumbers Calgary have established themselves as plumbers who can be depended upon. With contractors and subcontractors across Alberta, they have performed over thousands of jobs in the past few years alone ? jobs ranging from toilet installs to fixing leaks, committing repairs, replacing water heaters and carrying out general plumbing services.

Reliable says, ?If you are looking for residential or commercial plumbers who can get to your home fast within an hour, you don?t need to look further. Whether it?s an emergency job or otherwise, our plumbing service professionals are specialized, qualified, licensed and bonded plumbers who can do the job quickly and efficiently, from a clogged toilet, leaky faucet or burst pipe in the kitchen to backed-up sewage in your home. We have plumbing technicians on standby day and night to ensure that you never have to deal with a plumbing issue for long.?

According to the company, there are many reasons why they stand out among the most reliable plumbing companies in Calgary. They have served their community for decades and have helped give many homeowners peace of mind after helping them when they had plumbing or HVAC issues. The company takes a lot of pride in knowing that their customers are happy.

On their website, Reliable Plumbers Calgary states that their mission is to, ?provide the highest level of quality services to our new and existing customers by evaluating and creating options to offer an effective solution.? The company is very passionate about what they do and what their customers value ? an aspect of their approach that they explain is why they tend to offer the best services and perform their work in a timely manner.

Their customer-first attitude is why they also have a number of discounts and affordable prices for any problem. While most contractors charge hourly and then an additional fee, Reliable Plumbing Calgary?s fees are fixed, and there are no surprise expenses (their prices range from \$80 to over \$600, depending on the problem at hand). They also offer free estimates for all their services, so that potential customers can understand what they are getting into.

Reliable Plumbers Calgary has been in operation for over two decades. The company is a family owned-and-operated business that has been servicing the Calgary area with distinction. They are proud to say that they are one of the leading plumbing companies in Calgary and are fully equipped with the proper means to serve residential, commercial, educational and municipal structures. Reliable Plumbers Calgary?s aim is to provide their customers with only premium services.
