Marietta Mold Testing and Inspection Firm Receives Another 5 Star Review

August 12, 2021

August 12, 2021 -
SafeAir Certified Mold Inspection Inc., an indoor air quality and mold testing company serving Marietta, GA, is one of the highest rated mold inspection companies in Georgia. The company, which is owned and operated by Jeremy Shelton has been Metro Atlanta?s leader in mold inspection and testing for more than a decade. Mr. Shelton is a Certified Microbial Consultant through ACAC as well as holding certifications in Applied Microbial Remediation and Water Damage Restoration.

In a recent review the company received on their Google My Business Profile, customer Ann Martin had this to say, "SafeAir was great to work with. Jeremy was our mold inspector. He was very responsive to our questions and concerns. He did a great job explaining the testing methods, lab report, and making recommendations. I received my report on time and Jeremy was there every step of the way. I recommend calling SafeAir for all of your mold testing and inspection needs.?

SafeAir is one of the only mold inspection and testing companies with more than 135 5 Star Reviews and a perfect 5 Star rating. Reviews from customers like Martin are a regular occurrence for the company. In another recent review, Rita Allen describes her experience with the company: ?I was very impressed with the service I received from Jeremy at SafeAir who inspected our condo. He was great to work with and is a mold wizard... He gave us easy to implement suggestions to get rid of the mold in our home. I recommend SafeAir and ask for Jeremy!?

In this COVID-19 time, homeowners spend more and more time at home, meaning knowing what's in the air they're breathing becomes even more critical. Phone consultations are free, and the information provided may be life-saving.
