

Septic Systems And Engineering Company Now Offering Fast Septic System Replacements

October 07, 2015

October 07, 2015 - PRESSADVANTAGE -

Chapelwood Home Services, a Newton, New Jersey based company, is now offering fast septic system replacements to clients. The company said that this service will be especially helpful to clients who are looking to sell their homes, as it will greatly reduce the risk of any delays on closing the deal. The company added that the service comes with fair pricing, so clients can expect their projects to be completed on time and within budget. Meanwhile, the company has also expanded the availability of their services to the whole of Northern New Jersey.

"The last thing a home seller wants to deal with is a delay due to a failed septic system inspection. A lot of time and money have been invested into closing the deal, so any drawback can be extremely costly. Our fast and fair priced septic system replacement service helps clients to maintain peace of mind during the process," said Matthew Miglin, spokesperson for Chapelwood Home Services.

The company has been in business for over 18 years and offers various services such as drainage repairs, septic repairs, sewer replacement and sewer cleaning. They also offer a 24/7 service to all of their clients throughout Northern New Jersey. Chapelwood Home Services has indicated that the aim of the company is

to develop a long-term relationship with their clients, and their fair pricing and high quality services is one small part of the puzzle to make this possible.
