According to Carpet One Floor & Home owner, "Coretec is the industry-leading brand for luxury vinyl in popularity and versatility. Carpet One Floor & Home installs it every day, both residentially and commercially. They also stock over 50,000 square feet of it in our Spartanburg location. No one on the planet will come close to our price, warranty, or professional installation. Coretec is the only brand that customers walk into our store and ask for by name. They pretty much invented the luxury vinyl segment for residential use. Everyone copies them, but no one can get close to the looks and the quality. I love Coretec. I really do."
