"Our legal team understands that falling victim to a serious accident can be a scary and traumatic event. That is why we do our best to create personal, understanding relationships with all our clients," stated managing attorney Aaron Blank.

The informative webinar will be held on September 20, 2021, at 6:30 PM through Google Hangout.

Aaron Blank continued, "We are hosting this webinar to connect with the community and educate victims of car accidents so they can pursue their best legal options. Unfortunately, when victims try to pursue justice on their own, insurance companies will try to manipulate victims and deny rightful compensation. We plan to adequately explain the proper action steps victims can take to get the justice they deserve."
