MoldStar Remediation Now Provides 5 Star Rated Mold Removal and Mold Remediation Services in Gainesville, GA

August 18, 2021

August 18, 2021 -
One of Atlanta's most trusted mold remediation and mold cleanup companies, MoldStar Remediation, will be expanding its service area into Gainesville, GA. Owned and operated by Jeremy Shelton, one of the state's leading experts in microbial remediation and indoor air quality, the company is proud to bring that expertise and knowledge to Gainesville.

After battling severe mold toxicity and sickness for years, Mr. Shelton has made it his mission to help as many people as possible with their indoor air quality issues. Shelton holds accreditations in Water Damage Restoration and Applied Microbial Remediation with IICRC, the interior air-quality industry's most valued certification body. Mr. Shelton brings knowledge and experience that just a few mold specialists in Georgia can match.

Shelton's years of experience and knowledge are what sets him and his team apart from the rest of Georgia's so-called experts because the state of Georgia does not require any official training or licensing for mold remediation. Shelton's knowledge and commitment to continued education and certifications help him and the MoldStar team address mold and microbial growth in the most practical way, often saving property owners thousands of dollars in the process. Interested parties are invited to contact MoldStar for a free consultation. For their next steps, homeowners who already have a remediation protocol from a certified microbial consultant are welcome to contact MoldStar to obtain a free quote.

MoldStar's commitment to their customers and honest no-hassle pricing has resulted in the company becoming one of the fastest-growing remediation companies in Atlanta with tons of 5 Star reviews and customer testimonials. If readers or a loved one are experiencing mold-related illness or symptoms, call Jeremy and MoldStar Remediation immediately or connect with them through their website.
