Long Beach, California ? As a way of giving back to the community, Long Beach Tree Experts, a top-rated tree service provider, has decided to trim a century-old tree for free. The 130 feet tall tree sits between the junction of two streets and has been used as a landmark by residents in Long Beach. By using its years of experience and modern tree service gear to restore vibrance on the tree, Long Beach Tree Experts hopes to bring attention to what professional tree trimming can do for a tree.

However, we have the best tree trimming team Long Beach. This team is also equipped with the best tree service tools, including but not limited to bucket trucks, safety gear, and modern cutting tools. Established more than 25 years ago as a family business, Long Beach Tree Experts has grown to a point where it is no longer serving Long Beach City alone. Today, the company reports that it is also operating in Long Beach?s suburbs such as Hermosa Beach, Redondo Beach, San Marino, Newport Beach, and Rancho Palos Verdes.
