Irvine Tree Experts Finishes Tree Removal for 27 Large Palm Trees in 2 Days

August 20, 2021

August 20, 2021 -
Irvine, California ? A company that boasts the best machines in Irvine?s tree service industry, Irvine Tree Experts recently put its tools to use by removing 27 large palm trees. Finishing the entire job in a record time of just two days, the company left the property owner, Maritza Freeman, extremely impressed.

Speaking after working with Irvine Tree Experts, Maritza Freeman had the following to say, ?Wow! Definitely exceeded my expectations. Great price. We did shop around. Quick deal. They were on time the next day and were to their word and finished the job in just 2 days. Tree trunks, branches, palm fronds and all stumps removed. They were all hands-on. Great bunch of guys. We removed 27 large Palm trees. All trees were way beyond our roofline- over 2 stories tall. The house has a totally new look. But the best part is that they left it clean and looking like nothing ever happened. Don't get me wrong, it looked like a battle zone before they cleaned up. So impressive. Like we moved from the dark of the jungle and into the light!?

?It was one of the biggest projects we have handled this year,? said the company?s CEO after learning about the customer?s comment, ?However, judging by Maritza?s comment, it is clear that she would tell everyone that we are the best tree removal company Irvine. And this is the type of feeling we always want to leave our customers with ? the feeling helps us keep our customers coming back.?

Irvine Tree Experts is a company that handles all types of tree services. In addition to being the best tree removal near me Irvine company, Irvine Tree Experts also has an experienced tree trimming team Irvine, a team that handles tree pruning, and a team that helps homeowners with stump removal.

?We are the company that homeowners turn to when they have high-risk jobs,? said the company?s chief of field operations, ?Our emergency tree service Irvine helps property owners get rid of trees that are showing signs of causing property damage. And by the way, when it comes to tree emergencies, we operate on a 24/7 basis ? this means that we can handle emergency tree removals at 11 pm, at midnight, or 3 am.?
