

Crane Network LLC Offers Used Boom Trucks for Sale

August 30, 2021

August 30, 2021 -
Crane Network LLC, an online marketplace for cranes and other related equipment based in Lemont, IL, is pleased to announce that they are offering used boom trucks for sale. Boom trucks are just like truck mounted cranes except that they weigh much less and they typically have a flat bed for carrying loads. They are equipped with 2-3 axles cranes with the occasional tag axle to provide a lifting capability of up to 60 US tons. Boom trucks offer easy roadability, which means they can easily go to and from job sites fast. More than 30,000 companies and individuals depend on Crane Network?s online services to effectively manage their fleet for the rental and sale of cranes and equipment.

One of the used boom trucks for sale is the Manitex 40124 SHL Boom Truck. It is in very good condition and has a capacity 40.00 tons. It has a boom length of 124 feet and a 31-foot jib. The crane is on a 2011 Freightliner, it is powered by a Mercedes engine, and it has one winch, and radio remotes.

Another used boom truck for sale is the 2019 Manitex 3051 T Boom Truck. It is in a very good condition, it has a capacity of 30.00 tons, and a boom length of 51 feet. It has a 2-speed planetary hoist with grooved drum and negative draft flange, a load moment indicator with digital display, CAN bus, and overload shutdown. It also has a rugged, weatherproof electrical system with circuit status LEDs, removable boom rest, system pressure gauge, and clamp-on mounting.

Another option for used boom truck for sale is the 2018 Terex Crossover 6000 Boom Truck Crane, which is available for rent and for sale. It has a capacity of 60 US tons, a main boom length of 110 feet, maximum tip height of 170 feet, maximum boom length of 167 feet, and an overall length of 40 feet. It has a 110-foot fully synchronous telescopic boom, X-pattern front outrigger design that eliminates front jack requirement, and rated capacity indicator with work area definition.

Crane Network LLC also offers various types of cranes for rent. These include a: 2018 Manitex TC50155HL Boom Truck; 2018 Manitex 30102 C Boom Truck; 2019 Versalift Vantel-29-NE Aerial Man Lift; 2019 Manitex 3051 T Boom Truck; 2020 Tadano Mantis GTC-600 Crawler Lattice Boom Crane; 2018 Rotobec Elite 910SP MT26 Material Handler Crane, which is available for rent or sale; 2019 Manitex TC50155HL Boom Truck; 2018 Terex RT 780 Rough Terrain Crane, which is available for rent or sale; and more.

The 2018 Manitex TC50155HL Boom Truck Crane for rent has a 50 ton capacity. It has self-lubricating boom slider pads; two speed planetary grooved drum hoist with negative draft flange and rope tensioner; auxiliary hoist option; hoist drum rotation indicator; third wrap limiter under the hoist drum rotation indicator; and more.

The 2019 Versalift Vantel-29-NE Aerial Man Lift for rent has a working height of 34.75 feet. It has a capacity of 0.18 tons, a height to bottom of platform of 29.75 feet. Its horizontal reach is 22.58 feet. It has a stowed travel height of 9.75 feet and a platform capacity of 350 pounds.

The 2020 Tadano Mantis GTC-600 Crawler Lattice Boom Crane for rent has a boom length of 118 feet and a capacity of 66 tons. It has a two-piece bi-fold 33.1-feet lattice boom extension and offsettable jib for up to 182.1 feet. It has a heavy lift jib length of 8.2 feet and a maximum capacity of 44,800 pounds.

The 2018 Elliott 1870F Boom Truck Crane for rent has a lifting capacity of 36,000 pounds and a boom length of 70 feet. It has three boom sections, a maximum tip height of 120 feet, a winch bare drum pull of 12,800 pounds, and a winch single line pull of 9,600 pounds. It has dual stand-up operator controls.
