North Edmonton Kia Presents Used 2020 Kia Sportage LX

August 30, 2021

August 30, 2021 -

Edmonton, Alberta based North Edmonton Kia is pleased to announce that they currently have a used 2020 Kia Sportage LX in stock. Other Kia Sportage vehicles are also in stock at this time.

The 2020 Kia Sportage LX has many features that were designed to maximize comfort and convenience. To begin with, it has an 8-inch touchscreen AM/FM/MP3 that works with Bluetooth, Apple CarPlay, Android Auto and DA 2.0 voice recognition. In order to ensure a top-quality audio experience, it has six speakers and a 160-watt sound system that can be used with USB and auxiliary input jacks. It also features steering-wheel mounted audio as well as cruise controls.

The 2020 Kia Sportage LX also comes with power door locks that can be controlled by both the driver and the passengers, burglar alarms and a panic button. Other features include air-conditioning with rear vents, Bluetooth wireless technology, remote keyless entry, power windows and Drive Mode Select. Naturally, the vehicle also boasts several key upgrades that improve safety and performance. Interested parties can learn more about the vehicle by heading over to the North Edmonton Kia website.

North Edmonton Kia is a premier retailer of both new and used Kia vehicles. They are dedicated to providing the Edmonton area with fun, easy and financially advantageous shopping experiences. North Edmonton Kia has a team of enthusiastic sales staff, expert financiers and trained technicians who work together to bring top-quality services. The sales staff strives to be transparent about the benefits and drawbacks of any given vehicle. This helps ensure that their customers will have all the information they need to make the best decision possible. Once a vehicle has been chosen, their financial team lays out all available payment options. Then, they communicate with each customer to give expert recommendations based on each individual situation.

Finally, their service team is placed in charge of routine maintenance and dealing with any potential issues. North Edmonton Kia holds a large inventory of genuine OEM Kia parts, so they are always ready to provide the parts that their customers need. They also have a huge stock of accessories that can take vehicles to the next level. North Edmonton Kia further provides various promotions on their Special Offers page. This helps customers save even more money when purchasing vehicles and parts.

North Edmonton Kia?s excellence is reflected in the glowing reviews they have received from their customers. K. Brysse says in a 5-Star Google review, ?I bought a 2021 Kia Soul. Everyone there, and especially David (the salesman who helped me), was fantastic through the whole process. He answered all of my questions and gave me a very reasonable price. He even gave me a loaner vehicle to use until I was able to finish all the paperwork on my own car and take it home. He listened to what I said I wanted (in terms of features, type of vehicle, etc.) and helped me get exactly that. I'm very happy with my new car and with my sales experience. I would definitely go back to North Edmonton Kia.?

Emma Burglund says in another top-rated review, ?Today, I visited North Edmonton Kia to purchase a new sedan, and Andrew was the first person to greet me at the door, answer all of my questions and give me the best customer service I?ve ever had at a car dealership. He gave me the knowledge I needed for me to make my own decision without pressuring me, unlike most car salesmen I have dealt with have done. 10/10 would recommend purchasing a new or used vehicle from North Edmonton Kia!?
