Birmingham, Alabama-based Heninger Garrison Davis, LLC is pleased to announce that their lawyers have been recognized for their hard work and excellence in their fields by various institutions. Among these is the highly respected 2022 Edition of 'Best Law Firms.'

For the eleventh consecutive year, U.S. News & World Report and Best Lawyers recognized Heninger Garrison Davis as one of the premier law firms in the region for seven different practice areas.

The popular ranking lists the best firms approaching the upcoming year based on professional excellence with persistently impressive ratings from clients and peers and achieving tiered ranking signals a unique combination of quality law practice and breadth of legal expertise.

The 2022 Edition of Best Law Firms includes rankings in 75 national practice areas and 127 metropolitan-based practice areas. Ranked firms, presented in tiers, are listed on a national and or metropolitan scale. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in the same communities and the same practice areas for their abilities,

professional conduct, and integrity.

Heninger Garrison Davis received rankings in the 2022 U.S. News-Best Lawyers for several practice areas, including Commercial Litigation, Insurance Litigation, Class Actions, Medical Malpractice Law, Personal Injury Litigation, and Product Liability Litigation. Attorney Erik S. Heninger was also recognized as the Best Lawyer of the Year for Medical Malpractice Law.

Heninger received this recognition with great honor. He is an attorney that believes in making his clients' well-being his first and foremost priority. In addition to assisting clients, Heninger also makes sure to find time in his schedule to be active within the city's attorney community. He participates in the city, state, and national legal organizations. He believes that serving in state and national bar associations is essential to being a complete lawyer.

He also plays a significant role in teaching younger lawyers, as he teaches trial advocacy and litigation techniques to other lawyers across the country. These initiatives feed into his out-of-the-box thinking and help generate the innovative ideas that help him approach each case with a new perspective that favors his clients.

Heninger represents the 10th Judicial Circuit (Birmingham) as an elected member of the Board of Bar Commissioners for the Alabama State Bar. His responsibilities include participating at the Alabama State Bar Character & Fitness Committee and the Disciplinary Rules & Enforcement Committee. He has been a member of the Birmingham Bar Executive Committee since 2016, where he is 'AV Preeminent' Rated by Martindale-Hubbell ? the highest possible distinction conferred by both professional peers and judges.

These efforts, along with his commitment to serving the community, are part of what earned him recognition among the 2022 U.S. News-Best Lawyers. This title is also selected based on particularly impressive voting averages received during the peer-review assessments.
