

US Coachways joins Avetta?s Network to Improve Safety, Save Money, and Increase Opportunities with Other Major Companies

August 26, 2021

August 26, 2021 -
US Coachways Inc. utilizes Avetta?s supply chain risk management services by joining its global network of 125,000 suppliers in more than 120 countries.

NYC, New York?US Coachways announced today it joined Avetta?s network of supply chain risk management services to help the company reduce costs, increase safety and improve sustainability. US Coachways is an industry leader in nationwide bus service and planning. Whether it's for a corporate shuttle, emergency or disaster relief, large logistic moves, a student trip, or a family event, US Coachways is a quality charter bus rental service. They also employ state-of-the-art technology to make the booking and tracking process easy.

US Coachways is now part of Avetta?s expanding worldwide network of more than 125,000 suppliers in more than 120 countries. US Coachways will use Avetta?s SaaS platform to become prequalified and compliant for the global network of about 500 potential clients looking for work in their supply chain operations.

The Avetta team will guide US Coachways through the customized certification process, ensuring compliance for what clients need for safety and sustainability. While not required, achieving Avetta?s compliance certification demonstrates US Coachways?s dedication to industry best practices and professionalism. Additionally, US Coachways?s visibility to companies looking for its expertise will increase exponentially.

?Avetta?s network creates value for suppliers, and our certification distinguishes suppliers looking to go above and beyond expectations,? said Richard Parke, senior vice president of global supplier services at Avetta. ?We look forward to partnering with US Coachways to help them save money and improve safety and sustainability standards so they can better compete in the global marketplace.?

The Avetta solution delivers a unique ecosystem to help suppliers save money on services and products they use to enhance their business every day. The Avetta Marketplace offers exclusive discounts on safety products, insurance and safety-related services. Avetta has partnered with the best companies in safety training, certifications, insurance, and more.

About US Coachways

US Coachways, a nationwide charter bus company, have been forward thinkers since we started in 1983. As the industry leader, we use state-of-the-art technology to make our customer experience better than our competitors?. We specialize in short-notice bookings, large muti-bus moves, emergency disaster shuttles, corporate work, and we are GSA Approved. US Coachways is recognized as the gold standard in charter busing. We have set out to assure our customers that they will experience the gold standard in charter busing - every single time. As part of that brand promise, we have developed a customer bill of rights to outline how any possible mishap goes beyond being corrected. That is why we have amassed over 2500 customer reviews.

About Avetta

The Avetta SaaS platform helps clients manage supply chain risk, and their suppliers to become more qualified for jobs. For the hiring clients in our network, we offer the world?s largest supply chain risk management network to manage supplier safety, sustainability, worker competency and performance. We perform contractor prequalification and worker competency management across major industries, all over the globe, including construction, energy, facilities, high tech, manufacturing, mining and telecom.

For suppliers in our network, our audit and verification services help lower their safety incidents rate by 29%. As a result, more than one-third of members find additional job opportunities within the first year of joining. In

addition, our suppliers receive privileged access to the Avetta Marketplace, where dozens of partners offer special discounts for business services like insurance and work gear. Avetta serves more than 500 enterprise companies and 125,000 suppliers across 120+ countries.
