

## **Beverly Hills Sports Therapy Specialist Praised In New Customer Reviews**

*September 01, 2021*

Beverly Hills, California - September 01, 2021 - PRESSADVANTAGE -

The Beverly Hills, California based Jochen Chiropractic & Wellness Center is pleased to acknowledge the outstanding reviews that they received recently. The Center is committed to working alongside patients to improve their health, and their team always appreciates any feedback that helps them identify which practices are best.

While patients already know to seek out the Jochen Chiropractic & Wellness Center to find the best-rated sports chiropractor in the area, their reputation for excellence is still growing as time goes on. The latest review on their Google page describes a patient's positive experience with the local chiropractor, who offered them not only high-quality treatment and a way to recover quickly, but also their full attention over the course of their treatment. In his testimonial, Garbis Yerikyan says, "I got into a car accident about a month ago and was referred over to the Jochen Chiropractic & Wellness Center where I received the best treatment for my back pain. Dr.

Jochen and his entire team have been incredible since day one. They have helped me so much throughout this whole process, and I honestly can't thank them enough for their amazing service."

Yerikyan explains that the quality of the attention given to him by the staff at Jochen Chiropractic & Wellness was not the only notable aspect of his experience. He states that the treatment itself was excellent, and the therapy was successful. "I've come a long way since the car accident, and I wouldn't have made this much progress without Dr. Jochen and his wonderful team. With all that said, I would highly recommend the Jochen Chiropractic & Wellness Center to anyone who needs physical therapy, especially if you or anyone else is dealing with an injury. Trust me, Dr. Jochen and his team will take care of you with no problem. 5 Stars all across the board!"

These words of support were met with great appreciation by the staff at Jochen Chiropractic and Wellness Center, who are always eager to listen to their patient's testimonials and feedback. Dr. Stephen Jochen of the Jochen Chiropractic & Wellness Center (the Center's lead chiropractor) says, "We are very happy to see that our patients are content with our services as we always make an effort to make their experience our top priority. We value their comfort and recovery above everything else, and we are always making an effort to look after our patients' well-being."

The chiropractic clinic boasts a 4.6-Star rating (out of 5) on their Google page. This near-perfect rating is the direct result of their dedication to supporting the community. They make it their mission to guide their patients through a speedy recovery. Learn more here: [Sports Therapy Beverly Hills](#).

Dr. Jochen states, "Whether you have a sports injury or want to be at peak performance for your next event, the team of highly trained medical professionals at the Jochen Chiropractic and Wellness Center can help. From chiropractic treatments to acupuncture and nutritional medicine, we offer everything you need to give your best performance."

The clinic's services are not limited to treating sports injuries, as the chiropractors of the Jochen Chiropractic & Wellness Center possess extensive experience in other areas of chiropractic care, having served the Beverly Hills community for several years. Their services include General Chiropractic, Acupuncture, Cupping, Chiropractic Massages, Laser Therapy, Skin Care, Corporate Wellness, Pre-Surgical Treatment and Post-Surgical Treatment.

The Center often works with patients on a holistic level at first. They prefer to take their time to get to understand a patient's ailments, evaluate the various aspects of their life that are being affected by the condition and understand their goals for therapy. While this may be a quick assessment for some patients, the clinic explains that they take particular care when working with those who have been dealing with their affliction for a long time.

The clinic's website offers more information on the Jochen Chiropractic & Wellness Center and the services they offer. Interested parties may reach out to Dr. Stephen Jochen to follow up on any further inquiries. Additionally, they may also connect with the chiropractic clinic through their official Facebook page. More information is also available here: Kinesiology Beverly Hills.
