Fort Worth, Texas ? After years of handling tree trimming only on non-fruit trees, Fort Worth Tree Service Experts has decided to expand its services to fruit tree owners. This week, the company?s CEO announced that an experienced fruit tree trimming expert would be joining the company?s tree trimming team Fort Worth.

?People in Fort Worth ? and suburbs like Southlake, Colleyville, Keller, Mansfield, Roanoke, Bedford, and North Richland Hills ? love their fruit trees,? said the company?s CEO, ?And we always feel like we are letting them down when we tell them that we are not ready to trim their fruit trees. We have decided to add Oliver to our team so that we can expand our services to fruit tree owners. Oliver has years of experience in the fruit tree industry and has handled thousands of fruit tree trimmings.?

Fort Worth Tree Service Experts notes that proper fruit tree trimming carries numerous benefits. Reducing overcrowding on the tree crown, the tree maintenance procedure ensures the fruit-bearing branches are getting enough sunlight and aren?t competing for nutrients ? this ensures maximum productivity.

Fort Worth Tree Service Experts reports that its team will still be handling tree trimming on other tree species. Also, the company will keep handling other Fort Worth tree care procedures, including, tree removal, tree pruning, stump removal, and emergency tree service Fort Worth.

?We intend to maintain our position as the best tree removal company Fort Worth,? said the company?s chief of field operations, ?We also intend to keep helping our customers avoid the risks associated with unexpected tree problems. As such, we will be handling emergency tree service both day and night, and we will be responding to our customers' requests in less than an hour.?

Fort Worth Tree Service Experts reports that its team of tree cutting professionals Fort Worth is more passionate about maintaining healthy trees in Fort Worth than the money. As such, the company intends to

maintain affordable prices for its professional tree services.
