Woodinville, WA ? A local Woodinville awards store is currently offering many of their products at a 30 percent discounted rate. Northwest Trophy and Awards is pleased to be able to provide products at this price, and they are hopeful to reduce their current inventory by doing so.

This discount applies to many Northwest Trophy award and appreciation products. There are two different styles of walnut plaques, both of which will provide the sophisticated, tasteful look required for a formal event or banquet. Also available at a discounted rate are several styles of crystal and acrylic etched awards. These make great awards for any type of ceremony, whether it is for a corporate event or a sports team end-of-season banquet. They can be as personalized as desired, which enables the awards to be tailored to the level of formality of the event.

Some of the other discounted products include an acrylic plaque, a clear crystal cross on a base, a cobalt clear award, a cylinder bud vase, and several styles of glasses. Most of these items are customizable and are

appropriate for several different types of occasions, such as award ceremonies or corporate gifts for bosses or co-workers. Northwest Trophy is excited about this sale and is eager to see these elegant, versatile products be given to hard-working people for a job well done.

In the late 1950s, Northwest Trophy and Awards was purchased by the current owners? grandfather. It was his business philosophy that heavily aided the growth of the company: "Hard work and giving customers the best of your product, time and talent." Today, they still do business based on those principles. They offer many personalized products, from engraved plaques to custom trophies to custom promotional products.
