Panama City, FLA. ? Mr. Rooter Plumbing of Northwest Florida is proud to announce they sponsored the Learners to Earners event with the Boys and Girls Clubs of Bay County this month. The local Panama City plumbing company invited the club members to spend some time at the office to spark an interest in the plumbing industry. Co-owner Pam Hobbs put together a well-informed class for the club members that included insight into the industry as an alternative to college, hearing the stories of young plumbers in the field, plumbing industry expectations, and salary expectations.

?It is our responsibility to share our success, knowledge, and opportunities with the young people so that our trades are passed along to the next generations,? said Scott Hobbs, co-owner of Mr. Rooter Plumbing of Northwest Florida.
